March 01, 2018 08:17 AM Eastern Standard Time

ARLINGTON, Va.--(BUSINESS WIRE)--The AES Corporation (NYSE: AES) announced today the commencement of tender offers to purchase (the "Tender Offers" and each, a "Tender Offer") for cash, subject to certain terms and conditions, any and all of its outstanding 8.000% senior notes due 2020 and 7.375% senior notes due 2021 (collectively, the "Securities").

In conjunction with the Tender Offers, the Company also commenced solicitations of consents (the "Consent Solicitations") to amend the indenture governing the Securities to shorten the notice requirements for optional redemption with respect to each such series of Securities from thirty days to three business days. The Tender Offers and Consent Solicitations (collectively, the "Offer") are being made pursuant to the Company's Offer to Purchase and Consent Solicitation Statement (the "Offer to Purchase"), dated March 1, 2018, and a related Consent and Letter of Transmittal (together, the "Offer Materials") which set forth a more detailed description of the terms of the Offer. Holders of the Securities are urged to carefully read the Offer Materials before making any decision with respect to the Tender Offers.

The following table sets forth certain terms of the Offer:

Title of Security	CUSIP Number	Principal Amount Outstanding	Dollars per \$1,000 Principal Amount of Securities		
			Tender Offer Consideration ¹	Early Tender Premium	Total Consideration ^{1,2}
8.000% Senior Notes due 2020	00130HBN4	\$228,465,000	\$1,083.00	\$30.00	\$1,113.00
7.375% Senior Notes due 2021	00130HBS3	\$689,814,000	\$1,103.75	\$30.00	\$1,133.75

¹ Excludes Accrued Interest to, but not including, the applicable Settlement Date, which will be paid in addition to the Tender Offer Consideration or Total Consideration, as applicable.

² Includes the Early Tender Premium.

The Consent Solicitations will expire at 11:59 p.m., New York City time, on March 28, 2018, unless extended or earlier terminated (as the same may be modified, the "Consent Expiration Date"). The Tender Offers will expire at 11:59 p.m., New York City time, on March 28, 2018, unless extended or earlier terminated by AES (as the same may be extended, the "Expiration Date"). Tenders of Securities may be validly withdrawn at any time at or prior to 5:00 p.m., New York City time, on March 14, 2018, but may not be validly withdrawn thereafter except in certain limited circumstances where additional withdrawal rights are required by law.

Subject to the terms and conditions of the Tender Offer, each Holder who validly tenders and does not subsequently validly withdraw their Securities at or prior to 5:00 p.m., New York City time, on March 14, 2018 (the "Early Tender Date") will be entitled to receive the Total Consideration, plus accrued and unpaid interest up to, but not including, the applicable Settlement Date if and when such Securities are accepted for payment. Holders who validly tender their Securities after the Early Tender Date but at or prior to the Expiration Date will be entitled to receive only the tender offer consideration equal to the Total Consideration less the Early Tender Premium (the "Tender Offer Consideration"), plus accrued and unpaid interest up to, but not including, the applicable Settlement Date, if and when such Securities are accepted for payment.

Payments for Securities purchased will include accrued and unpaid interest from and including the last interest payment date applicable to the relevant series of Securities up to, but not including, the applicable settlement date for such Securities accepted for purchase. The settlement date for Securities that are validly tendered on or prior to the Early Tender Date is expected to be March 15, 2018, one business day following the scheduled Early Tender Date (the "Early

Settlement Date"). The settlement date for the Securities that are validly tendered following the Early Tender Date but on or prior to the Expiration Date is expected to be March 29, 2018, one business day following the scheduled Expiration Date (the "Final Settlement Date").

AES' obligation to accept for purchase, and to pay for, Securities validly tendered pursuant to the Tender Offer is subject to, and conditioned upon, having obtained debt financing (the "New Debt Financing") in a minimum aggregate principal amount, together with cash on hand and other available sources, to purchase the tendered Securities, including payment of the Tender Offer Consideration or Total Consideration, as applicable, and any fees payable in connection with the Tender Offer, subsequent to the date hereof and on or prior to the Final Settlement Date, on terms and conditions reasonably satisfactory to AES (the "Financing Condition"). AES' current intention is to satisfy the Financing Condition by issuing long-term senior debt securities but, subject to market conditions and at AES' sole discretion, AES may elect to enter into alternative debt financing. There can be no assurance any such New Debt Financing will be available, and thus no assurance that the Financing Condition will be satisfied.

The obligation of AES to accept for purchase and to pay either the Total Consideration or Tender Offer Consideration and the accrued and unpaid interest on the Securities is not subject to any minimum tender condition, but is subject to the satisfaction or waiver of the Financing Condition and certain other conditions described in the Tender Offer Materials.

AES is making the Tender Offer only by, and pursuant to, the terms of the Tender Offer Materials.
