BHP Billiton announced today that the Board has approved a bond repurchase plan of up to US\$2.5 billion. The plan will target 2018, 2019, 2021, 2022 and 2023 US dollar denominated notes and be funded by BHP Billiton's strong US\$14 billion cash position. BHP Billiton Finance (USA) Limited announces offers to purchase up to US\$1,950,000,000 aggregate purchase price (excluding accrued interest) of the 2019, 2021, 2022 and 2023 notes, and the redemption of its US\$500,000,000 2.050% senior notes due 2018.

(a) The Total Consideration for Maximum Tender Offer Notes validly tendered prior to or at the Early Tender Date (as defined below) and accepted for purchase is calculated using the applicable Fixed Spread (as defined below) and is inclusive of the Early Tender Payment.

The Any and All Offer will expire at 5:00 p.m., New York City time, on 27 February 2017 (**Any and All Expiration Date**), and the Tender Offers for the Maximum Tender Offer Notes (**Maximum Tender Offers**) will expire at 11:59 p.m., New York City time, on 20 March 2017 (**Maximum Tender Expiration Date**), or, in each case, any other date and time to which the Company extends the applicable Tender Offer. Holders must validly tender their Any and All Notes prior to or at the Any and All Expiration Date, and their Maximum Tender Offer Notes prior to or at 5:00 p.m., New York City time, on 6 March 2017 (such date and time, as it may be extended with respect to a series of Maximum Tender Offer Notes, the **Early Tender Date**), to be eligible to receive the applicable Total Consideration (as defined below) plus accrued interest. If Holders validly tender their Maximum Tender Offer Notes after the Early Tender Date but prior to or at the applicable Maximum Tender Expiration Date, Holders will only

be eligible to receive the applicable Late Tender Offer Consideration plus accrued interest.

Any and All Notes tendered may be withdrawn prior to or at, but not after, 5:00 p.m., New York City time, on 27 February 2017, and Maximum Tender Offer Notes tendered may be withdrawn prior to or at, but not after, 5:00 p.m. New York City time, on 6 March 2017 (each such applicable date and time, as it may be extended with respect to a series of Any and All Notes or Maximum Tender Offer Notes, the applicable **Withdrawal Deadline**). The Tender Offers are subject to the satisfaction of certain conditions, as set forth in the Offer to Purchase.

With respect to the Maximum Tender Offers, the Company will only accept for purchase Maximum Tender Offer Notes up to an aggregate purchase price (excluding accrued interest) that will not exceed the Maximum Tender Offer Cap. The Maximum Tender Offer Cap will not be determined until the aggregate purchase price of the Any and All Notes validly tendered and accepted for purchase by the Company in the Any and All Offer is determined. The Company reserves the right, but is under no obligation, to increase the Maximum Tender Offer Cap in respect of the Maximum Tender Offers at any time, subject to applicable law, which could result in the Company purchasing a greater aggregate principal amount of Maximum Tender Offer Notes in the Maximum Tender Offers.

All Maximum Tender Offer Notes tendered prior to or at the Early Tender Date will have priority over Maximum Tender Offer Notes tendered after the Early Tender Date, regardless of the acceptance priority levels noted above (**Acceptance Priority Levels**). The purchase of any series of Securities is not conditioned upon the purchase of any other series of Securities. However, any Maximum Tender Offer Notes validly tendered in the Maximum Tender Offers and accepted for purchase will be accepted for purchase by the Company based on the Maximum Tender Offer Cap and the Acceptance Priority Levels, each as more fully described in the Offer to Purchase.

The **Total Consideration** payable for each series of Securities will be a price per US\$1,000 principal amount of such Series that would reflect a yield to the applicable maturity date of such series of Securities equal to the sum of (i) the Reference Yield (as defined below) for such series, determined at 11:00 a.m. (New York City time), on the Any and All Expiration Date in the case of the Any and All Offer and 11:00 a.m. (New York City time) on the business day following the Early Tender Date in the case of the Maximum Tender Offers, plus (ii) the fixed spread applicable to such series, as set forth in the tables above (**Fixed Spread**), in each case (as set out in the calculation in Schedule A of the Offer to Purchase) minus accrued and unpaid interest on the Securities from, and including, the most recent interest payment date prior to the applicable settlement date up to, but not including, the Any and All Settlement Date or the Maximum Early Tender Settlement Date (both as defined in the Offer to Purchase), as applicable. The **Reference Yield** means the bid side yield

of the applicable reference security listed in the tables above (**Reference Security**) for such series. The Total Consideration includes the Early Tender Payment (as defined below) for the applicable series of Securities set forth in the tables above.

Holders of Maximum Tender Offer Notes that are validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase will receive the applicable Total Consideration.

The Total Consideration, as calculated using the Fixed Spread for each series of Maximum Tender Offer Notes set forth in the second table above, is inclusive of the Early Tender Payment. Holders of any Maximum Tender Offer Notes that are validly tendered after the Early Tender Date but prior to or at the Maximum Tender Expiration Date and that are accepted for purchase will receive the applicable Total Consideration minus an amount in cash (**Early Tender Payment**) equal to the applicable amount set forth in the second table above under the heading "Early Tender Payment." Total Consideration minus the Early Tender Payment is referred to as the "Late Tender Offer Consideration."

Redemption of 2018 Notes

Additionally, the Company is exercising its option to redeem in full the entire outstanding US\$500,000,000 principal amount of its 2.050% senior notes due 2018 (**2018 Notes**) in accordance with the terms of the 2018 Notes and the Indenture, between the Company and The Bank of New York Mellon, as trustee, under which the 2018 Notes were issued.

The Notes will be redeemed in full on 23 March 2017 (**Redemption Date**) at a redemption price equal to the greater of (i) 100% of the principal amount of the 2018 Notes to be redeemed and (ii) as certified to the trustee by us, the sum of the present values of the Remaining Scheduled Payments discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the indenture governing the 2018 Notes) plus a spread of 15 basis points (**Redemption Price**), together with accrued interest on the principal amount of the 2018 Notes to be redeemed to the Redemption Date.

On and after the Redemption Date, the 2018 Notes will no longer be deemed outstanding, interest on the 2018 Notes will cease to accrue, and all rights of the holders of the 2018 Notes will terminate, except for the right to receive such redemption payment upon surrender of the 2018 Notes.

The Company will announce the Redemption Price prior to the Redemption Date.

The 2018 Notes have the following CUSIP/ISIN designations: CUSIP No. 055451AT5, ISIN No. US055451AT54.
