(1) A \$350,000,000 Tender Cap applies to the aggregate purchase (exclusive of Accrued Interest) of the 8.00% Senior Secured Second Lien Notes due 2022. A \$200,000,000 Tender Cap applies to the aggregate purchase price (exclusive of Accrued Interest) of the 6.625% Senior Notes due 2020 and the 6.875% Senior Notes due 2020, collectively. A Tender Cap equal to \$200,000,000 less the aggregate purchase price (exclusive of Accrued Interest) of the 6.625% Senior Notes due 2020 and the 6.875% Senior Notes due 2020, collectively, validly tendered and accepted for purchase, applies to the 6.125% Senior Notes due 2021 and the 5.375% Senior Notes due 2021, collectively.

(2) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase in the applicable Tender Offer (exclusive of any Accrued Interest, which will be paid in addition to the Tender Offer Consideration or the Total Consideration, as applicable, to, but not including, the applicable Settlement Date).

(3) Includes the applicable Early Tender Premium, (as defined below).

The Tender Offers will expire at 11:59 p.m., New York City time, on October 25, 2017 (such date and time with respect to a Tender Offer, as it may be extended for such Tender Offer, the "Expiration Date"). No tenders will be valid if submitted after the Expiration Date. Tendered Notes may be withdrawn from the Tender Offers at or prior to, but not after, 5:00 p.m., New York City time, on October 11, 2017 (such date and time with respect to a Tender Offer, as it may be extended for such Tender Offer, the "Withdrawal Deadline"). Holders of Notes who tender their Notes after the Withdrawal Deadline, but prior to the Expiration Date, may not withdraw their tendered Notes, except for certain limited circumstances where additional withdrawal rights are required by law.

Subject to the terms and conditions of the Tender Offers, the consideration for each \$1,000 principal amount of Notes validly tendered (and not validly withdrawn) and accepted for purchase pursuant to the Tender Offers will be the tender offer consideration for the applicable series of Notes set forth in the table above (with respect to each series of Notes, the "Tender Offer Consideration"). Holders of Notes that are validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on October 11, 2017 (such date and time with respect to a Tender Offer, as it may be extended for such Tender Offer, the "Early Tender Date") and accepted for purchase pursuant to the Tender Offers will receive the applicable Tender Offer Consideration plus the early tender premium, for the applicable series of Notes set forth in the table above (with respect to each series of Notes, the "Early Tender Premium" and, together with the applicable Tender Offer Consideration, the "Total Consideration"). Holders of Notes validly tendered after the Early Tender Date, but at or prior to the Expiration Date, and accepted for purchase pursuant to the Tender Offers will receive the applicable Tender Offer Consideration, but not the Early Tender Premium for the applicable series of Notes. No tenders will be valid if submitted after the Expiration Date.

In addition to the Tender Offer Consideration or the Total Consideration, as applicable, all Holders of Notes accepted for purchase pursuant to the Tender Offers will, on the Early Settlement Date (as defined below) or the Final Settlement Date (as defined below), as applicable, also receive accrued and unpaid interest on those Notes from the last interest payment date with respect to those Notes to, but not including, the Early Settlement Date or the Final Settlement Date, as applicable (the "Accrued Interest").

Chesapeake reserves the right, in its sole discretion, to increase or decrease the Aggregate Maximum Purchase Amount and any Tender Cap at any time without extending the Early Tender Date or the Withdrawal Deadline or otherwise reinstating withdrawal rights for any Tender Offer, subject to compliance with applicable law, which could result in Chesapeake purchasing a greater or lesser amount of Notes in the Tender Offers. If Chesapeake changes the Aggregate Maximum Purchase Amount or any Tender Cap, it does not expect to extend the Withdrawal Deadline, subject to applicable law. At the current Aggregate Maximum Purchase Amount and Tender Caps, the amount of Priority 1 Notes accepted for purchase would not reduce the amount of Priority 2 Notes and Priority 3 Notes, collectively, accepted for purchase. At the current Tender Caps, the Aggregate Maximum Purchase Amount would not affect the amount of Priority 1 Notes, Priority 2 Notes or Priority 3 Notes accepted for purchase.

Chesapeake reserves the right, in its sole discretion, at any point following the Early Tender Date and prior to the Expiration Date, to accept for purchase any Notes validly tendered at or prior to the Early Tender Date (the date of such acceptance and purchase, the "Early Settlement Date"), subject to the Aggregate Maximum Purchase Amount, the Tender Caps, the Acceptance Priority Levels and proration as described in the Offer to Purchase. The Early Settlement Date will be determined at Chesapeake's option, assuming the conditions to the Tender Offers have been either satisfied or waived by Chesapeake at or prior to the Early Settlement Date. If Chesapeake elects to have an Early Settlement Date, it will accept Notes validly tendered at or prior to the Early Tender Date, subject to the Aggregate Maximum Purchase Amount, the Tender Caps, the Acceptance Priority Levels and proration as described in the Offer to Purchase. Irrespective of whether Chesapeake chooses to exercise its option to have an Early Settlement Date, it will purchase any remaining Notes that have been validly tendered at or prior to the Expiration Date and accepted for purchase, subject to all conditions to the Tender Offers having been either satisfied or waived by Chesapeake, promptly following the Expiration Date (the date of such acceptance and purchase, the "Final Settlement Date"; the Final Settlement Date and the Early Settlement Date each being a "Settlement Date"), subject to the Aggregate Maximum Purchase Amount, the Tender Caps, the Acceptance Priority Levels and proration as described in the Offer to Purchase. The Final Settlement Date is expected to occur on the second business day following the Expiration Date, assuming the conditions to the Tender Offers have been either satisfied or waived by Chesapeake at or prior to the Expiration Date and Notes having an aggregate purchase price (exclusive of Accrued Interest) equal to the Aggregate Maximum Purchase Amount are not purchased on the Early Settlement Date.

Subject to the Aggregate Maximum Purchase Amount, the Tender Caps and proration as described in the Offer to Purchase, all Notes validly tendered at or prior to the Early Tender Date having a higher Acceptance Priority Level will be accepted for purchase before any Notes validly tendered at or prior to the Early Tender Date having a lower Acceptance Priority Level are accepted for purchase, and all Notes validly tendered

after the Early Tender Date having a higher Acceptance Priority Level will be accepted for purchase before any Notes validly tendered after the Early Tender Date having a lower Acceptance Priority Level are accepted for purchase. However, even if the Tender Offers are not fully subscribed as of the Early Tender Date, subject to the Aggregate Maximum Purchase Amount and the Tender Caps, Notes validly tendered at or prior to the Early Tender Date will be accepted for purchase before any Notes validly tendered after the Early Tender Date are accepted for purchase, even if such Notes validly tendered after the Early Tender Date have a higher Acceptance Priority Level than Notes validly tendered at or prior to the Early Tender Date. Therefore, if the aggregate purchase price (exclusive of Accrued Interest) of Notes validly tendered at or prior to the Early Tender Date up to the amount of the applicable Tender Cap equals or exceeds the Aggregate Maximum Purchase Amount, Chesapeake will not accept for purchase any Notes tendered after the Early Tender Date, and if the aggregate purchase price (exclusive of Accrued Interest) of Priority 1 Notes, Priority 2 Notes or Priority 3 Notes validly tendered at or prior to the Early Tender Date equals or exceeds the Priority 1 Tender Cap, Priority 2 Tender Cap or the Priority 3 Tender Cap, as applicable, Chesapeake will not accept for purchase Priority 1 Notes, Priority 2 Notes or Priority 3 Notes, as applicable, tendered after the Early Tender Date. Additional information about the application of the Aggregate Maximum Purchase Amount, Acceptance Priority Levels, Tender Caps and proration is set forth in the Offer to Purchase.

The Tender Offers are not conditioned upon a minimum amount of Notes of any series, or a minimum amount of Notes of all series, being tendered. However, the Tender Offers are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase, including receipt by Chesapeake of net proceeds from a concurrent private offering of senior notes to finance at least \$500,000,000 of the payment of the Tender Offer Consideration and the Total Consideration.

None of Chesapeake, its board of directors, its officers, the dealer manager, the depository, the information agent or the trustees with respect to the Notes, or any of their respective affiliates, makes any recommendation that holders tender or refrain from tendering all or any portion of the principal amount of their Notes, and no one has been authorized by any of them to make such a recommendation.
