IMPORTANT INFORMATION REGARDING THE OFFER

This Offer to Purchase, the related Letter of Transmittal and the Notice of Guaranteed Delivery contain important information, and you should read them in their entirety before you make any decision with respect to the Offer.

Tendered Notes may be withdrawn at any time at or prior to the earlier of (i) the Expiration Time and (ii) if the Offer is extended, the 10th business day following commencement of the Offer. Tendered Notes may also be validly withdrawn in the event the Offer has not been consummated within 60 business days after commencement of the Offer. If the Offer is terminated or otherwise not completed, the Tender Consideration and any Accrued Interest will not be paid or become payable pursuant to the Offer to the Holders of Notes who have tendered their Notes and such Notes shall be returned promptly to such Holders.

Subject to the terms set forth in the Offer Documents, and assuming all conditions to the Offer have been satisfied or waived by us, Holders who validly tender and deliver (and do not validly withdraw) their Notes before the Expiration Time will be entitled to receive, upon the terms and subject to the conditions set forth in the Offer Documents, the Tender Consideration, plus accrued and unpaid interest from the last interest payment date to, but excluding, the Settlement Date. With respect to Notes, if any, tendered before the Expiration Time pursuant to the guaranteed delivery procedures, the Holders thereof will receive payment of the Tender Consideration, plus accrued and unpaid interest from the last date on which interest has been paid on the Notes to, but excluding, the Settlement Date for such accepted Notes on the Guaranteed Delivery Settlement Date.

Our obligation to accept for purchase, and to pay for, Notes validly tendered and not validly withdrawn pursuant to the Offer is conditioned upon the satisfaction of the General Conditions (as defined herein). We may, in our sole discretion, waive any of the conditions of the Offer, in whole or in part, at any time and from time to time. See “Conditions of the Offer.”

We expressly reserve the right, subject to applicable law, to (1) terminate the Offer prior to the Expiration Time and not accept for payment any Notes not theretofore accepted for payment pursuant to the Offer for any reason, (2) waive any and all of the conditions of the Offer prior to the Expiration Time, (3) extend the Expiration Time and (4) otherwise amend the terms of the Offer in any respect. The foregoing rights are in addition to the right to delay acceptance for payment of Notes validly tendered pursuant to the Offer or the payment of Notes accepted for payment pursuant to the Offer in order to comply with any applicable law, subject to Rule 14e-1(c) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of the Offer, as applicable.

We reserve the right from time to time to purchase any of the Notes that remain outstanding after the Expiration Time through open market purchases, privately negotiated transactions, tender offers or otherwise (each of which to be upon such terms and at such prices as we may determine, which may be more or less than the price to be paid pursuant to the Offer), or to redeem any such Notes pursuant to the terms of the Indenture.

See “Certain Considerations” and “Taxation” for a discussion of certain factors that should be considered in evaluating the Offer.

ENFORCEABILITY OF CIVIL LIABILITIES

We are a private bank organized under the laws of Paraguay with limited liability. All of our directors and officers reside outside of the United States and all or a significant portion of the assets of the directors and officers and substantially all of our assets are located in Paraguay. As a result, it may not be possible for you to effect service of process within the United States upon such persons or to enforce against them or against us in U.S. courts judgments predicated upon the civil liability provisions of the federal securities laws of the United States.

There is no treaty between the United States and Paraguay for the reciprocal enforcement of foreign judgments. We have been advised by our Paraguayan counsel that the enforceability in Paraguay, either in original actions or in actions for enforcement of judgments of U.S. courts, of civil liabilities predicated on the federal securities laws of the United States is subject to the fulfillment of requirements and provisions set forth in the Paraguayan Civil Procedural Code as described herein. Furthermore, any final and conclusive judgment obtained against us in any foreign court having jurisdiction in respect of any suit, action or proceeding against us for the enforcement of any of our obligations under the notes will, upon request, be deemed valid and enforceable in Paraguay without the local court reopening the case provided that the following requirements set forth in Section 532 of the Paraguayan Civil Procedural Code are satisfied:

- (i) the foreign judgment has *res judicata* effects in the jurisdiction where it was rendered, and was issued by a competent court, as a result of a personal action, or of a real action in which the object of the action was a movable asset brought to Paraguay during or after the foreign action was filed;
- (ii) no judgment is pending in a court of law in Paraguay with the same object and among the same parties;
- (iii) any person or entity domiciled in Paraguay against whom such judgment is sought to be enforced was legally served with process and represented during the trial or judged to have failed to appear in accordance with the laws of the country where the trial was held;
- (iv) the obligation underlying the cause of action the judgment is valid under Paraguayan law;
- (v) the foreign judgment does not include provisions that conflict with Paraguayan law of public policy;
- (vi) the foreign judgment complies with all the necessary requirements of the foreign jurisdiction and conditions of authenticity according to national law; and
- (vii) the foreign judgment does not conflict with a previous or contemporaneous judgment of a Paraguayan court.

What is the Offer?..... We are offering to purchase for cash, upon the terms and subject to the conditions set forth in the Offer Documents, any and all of the Notes.

When does the Offer expire? The Offer expires at 5:00 p.m., New York City time, on July 14, 2016, unless the Offer is extended or earlier terminated.

What is the Company offering to pay for my Notes? If you validly tender and do not validly withdraw Notes prior to the Expiration Time, then upon the terms and subject to the conditions set forth in the Offer Documents, we will pay you an amount in cash equal to the Tender Consideration for each \$1,000 principal amount of Notes so tendered and not validly withdrawn and accepted for payment pursuant to the Offer, payable on the Settlement Date or the Guaranteed Delivery Settlement Date, as applicable.

The Tender Consideration for each \$1,000 principal amount of the Notes validly tendered and not validly withdrawn before the Expiration Time is \$1,015.00.

Upon the terms and subject to the conditions set forth in the Offer Documents, in addition to the Tender Consideration, Holders who validly tender their Notes prior to the Expiration Time, if such Notes are accepted for payment pursuant to the Offer, also will be paid accrued and unpaid interest from the last date on which interest was paid on the Notes up to, but excluding, the Settlement Date. Interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer including those tendered through the guaranteed delivery procedures.

When will I get paid? We will pay for all Notes validly tendered and delivered and not validly withdrawn prior to the Expiration Time, on the Settlement Date, subject to the terms and conditions set forth in the Offer

Documents. We will pay for Notes, if any, validly tendered before the Expiration Time pursuant to the guaranteed delivery procedures and validly tendered and accepted for payment on the Guaranteed Delivery Settlement Date, subject to the terms and conditions set forth in the Offer Documents.

What is the purpose of the Offer?

The purpose of the Offer is to acquire all of the outstanding Notes. Any Notes that are tendered and accepted in the Offer will be retired and canceled.

How will you pay for my Notes?

We intend to fund the purchase of Notes pursuant to the Offer with cash on hand.

Are there any conditions to the Offer?.....

Our obligation to accept for purchase, and to pay for, Notes validly tendered and not validly withdrawn pursuant to the Offer is conditioned upon the satisfaction of the General Conditions. See “Conditions of the Offer.” We may, in our sole discretion, waive any of the conditions of the Offer, in whole or in part, at any time and from time to time.

Can the Offer be extended, and, if so, under what circumstances?

Yes. We reserve the right to extend the Offer at any time, for any reason. Any extension of the Offer by us will be followed as promptly as practicable by announcement thereof in accordance with applicable law. Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate.

We reserve the right, subject to applicable law, to terminate the Offer prior to the Expiration Time for any reason and not accept for payment any Notes not theretofore accepted for payment pursuant to the Offer, and otherwise amend the terms of the Offer in any respect. Any amendment or termination of the Offer by us will be followed as promptly as practicable by announcement thereof and in accordance with applicable law. If we make a material change in the terms of the Offer or the information concerning the Offer or waive a material condition of the Offer, we will, to the extent required by law, disseminate additional Offer materials and extend the Offer. In addition, we may, if we deem appropriate, extend the Offer for any other reason.

Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate.

How do I tender my Notes?

If you hold your Notes in your name in certificated form, you should complete and sign the Letter of Transmittal (or a facsimile thereof) in accordance with the instructions set forth therein. Be certain to have your signature guaranteed if required by the Instructions to the Letter of Transmittal, and mail or deliver that manually signed Letter of Transmittal (or such manually signed facsimile), and any other required documents, to the Information Agent and Tender Agent, and deliver the certificate(s) representing those Notes to the Information Agent and Tender Agent.

If you hold your Notes through DTC, you may, in lieu of physically completing and signing the Letter of Transmittal and delivering it to the Information Agent and Tender Agent, tender Notes through DTC pursuant to ATOP.

If you own your Notes in “street name” (i.e., your Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee), then you must contact your broker, dealer, commercial bank, trust company or other nominee and direct it to tender your Notes on your behalf. Beneficial owners wishing to participate in the Offer should contact their broker, dealer, commercial bank, trust company or other nominee as soon as possible in order to determine the time by which such owner must take action in order to so participate. The deadlines set by any such brokers, dealers, commercial banks, trust companies or other nominees or intermediaries, as well as DTC, for the submission of tender instructions will be earlier than the relevant deadlines specified in this Offer to Purchase.

If you wish to tender your Notes and (1) your Notes certificates are not immediately available or cannot be delivered to the Information Agent and Tender Agent, (2) you cannot comply with the procedure for book-entry transfer, or (3) you cannot deliver the other required documents to the Information Agent and Tender Agent by the expiration of the Offer, you must tender your Notes according to the guaranteed delivery procedure described below.

If I change my mind, can I withdraw my tender of Notes?

Tendered Notes may be withdrawn at any time at or prior to the earlier of (i) the Expiration Time and (ii) if the Offer is extended, the 10th business day following commencement of the Offer. In addition, tendered Notes may be withdrawn at any time after the 60th business day after commencement of the Offer if for any reason the Offer has not yet been consummated by the 60th business day following commencement of the Offer. If the Offer is terminated or otherwise not completed, then the Tender Consideration and any accrued and unpaid interest will not be paid or become payable pursuant to the Offer to the Holders of Notes who have tendered their Notes and we will promptly return such Notes to their respective Holders.

What if I do not want to tender my Notes?

The purpose of the Offer is to acquire all of the outstanding Notes. We reserve the right to redeem any of the Notes that remain outstanding after the Expiration Time on October 15, 2016 at a cash redemption price per \$1,000 principal amount of the Notes equal to \$1,000, plus accrued and unpaid interest to the redemption date, in accordance with the Indenture.

Has the Company made any recommendation about the Offer?

No. None of the Company, the Dealer Manager, the Trustee, or the Information Agent and Tender Agent has made any recommendation as to whether a Holder should or should not tender Notes pursuant to the Offer.

Are there U.S. federal income tax implications if I tender my Notes?

The receipt of the Tender Consideration will generally be a taxable transaction for U.S. federal income tax purposes. You are urged to consult your tax advisors as to the specific tax consequences to you of the Offer. See “Taxation—Certain U.S. Federal Income Tax Considerations.”

Whom can I talk to if I have questions about the Offer? ..

You may contact Citigroup Global Markets Inc., the Dealer Manager for the Offer, if you have questions about the Offer. Its address and telephone numbers are set forth on the back cover of this Offer to Purchase.

Whom can I talk to if I have questions about procedures for tendering my Notes or if I need additional copies of the Offer Documents?

Delivery or related documents. Its address and telephone numbers are set forth on the back cover of this Offer to Purchase. Requests for additional copies of this Offer to Purchase, the Letter of Transmittal and the Notice of Guaranteed Delivery also may be directed to your broker, dealer, commercial bank or trust company.

CERTAIN CONSIDERATIONS

In deciding whether to participate in the Offer, each Holder should consider carefully, in addition to the other information contained in this Offer to Purchase, the matters discussed below:

Position of the Company and Other Parties Concerning the Tender Offer

None of the Company, the Dealer Manager, the Trustee or the Information Agent and Tender Agent is making or has made any recommendation as to whether you should tender or refrain from tendering Notes for purchase pursuant to the Offer.

You must make your own decision whether to tender your Notes for purchase and, if so, the principal amount of Notes to tender based on your own assessment of current market value of the Notes, any tax consequences and other relevant factors. As such, you are urged to evaluate carefully all information in the Offer Documents and consult your own investment, tax and other professional advisors.

Limited Trading Market

To the extent that Notes are validly tendered and accepted by us for purchase pursuant to the Offer, the trading market for Notes that remain outstanding is likely to become more limited than it is at present. To the extent a market continues to exist for the Notes, the Notes may trade at a discount compared to present trading prices depending on prevailing interest rates, the market for debt instruments with similar credit features, our operating and financial performance and other factors. The extent of the market for the Notes and the availability of market quotations will depend on the number of Holders of the Notes remaining at such time, the interest in maintaining a market in the Notes on the part of securities firms and other factors. There is no assurance that an active market in the Notes will exist, and no assurance can be made as to the prices at which the Notes may trade after the consummation of the Offer.

A debt security with a small outstanding principal amount available for trading (that is, a smaller “float”) may command a lower price than would a comparable debt security with a larger float. Therefore, the market price for Notes that are not tendered and accepted for purchase pursuant to the Offer may be adversely affected to the extent that the principal amount of Notes purchased pursuant to the Offer reduces the float. A reduced float may also make the trading price of Notes that are not purchased in the Offer more volatile.

Conditions to the Consummation of the Offer

The consummation of the Offer is subject to the satisfaction of the General Conditions. These conditions are described in more detail in this Offer to Purchase under “Conditions of the Offer.” Such conditions may not be met and, if the Offer is not consummated, the market value and liquidity of the Notes may be materially adversely affected. We may, in our sole discretion, waive any of the conditions of the Offer, in whole or in part, at any time and from time to time.

Consideration for the Notes May Not Reflect Their Fair Value

The consideration offered to purchase the Notes does not reflect any independent valuation of the Notes and does not take into account events or changes in financial markets (including interest rates) after the commencement of the Offer. We have not obtained or requested a fairness opinion from any banking or other firm as to the fairness of the consideration for the Notes. If you tender Notes, you may or may not receive more or as much value than if you chose to keep them.

Certain Tax Matters

See “Taxation—Certain Paraguayan Tax Considerations” for a discussion of certain Paraguayan tax considerations of the Offer and “Taxation—Certain U.S. Federal Income Tax Considerations” for a discussion of certain U.S. federal income tax considerations of the Offer.

Redemption; Discharge

We reserve the right from time to time to purchase any of the Notes that remain outstanding after the Expiration Time through open market purchases, privately negotiated transactions, tender offers or otherwise (each of which to be upon such terms and at such prices as we may determine, which may be more or less than the price to be paid pursuant to the Offer), or to redeem any such Notes pursuant to the terms of the Indenture.

PURPOSE AND FINANCING OF THE OFFER

Purpose of the Offer

The purpose of this Offer is to acquire all of the outstanding Notes.

Financing of the Offer

The total amount of funds required to purchase all of the Notes sought pursuant to the Offer, and to pay all accrued and unpaid interest on the Notes and all fees and expenses in connection therewith, is expected to be approximately \$183.1 million, assuming all of the Notes are validly tendered and not validly withdrawn before the Expiration Time. We expect to fund the Offer with cash on hand.

THE OFFER

The Offer Documents contain important information, and you should read them carefully in their entirety before you make any decision with respect to the Offer.

General

We are offering to purchase for cash, upon the terms and subject to the conditions set forth in the Offer Documents, all of the outstanding Notes.

Tender Offer Consideration

Upon the terms and subject to the conditions set forth in the Offer Documents, we hereby offer to pay to each Holder who validly tenders Notes prior to the Expiration Time, an amount in cash equal to the Tender Consideration for each \$1,000 principal amount of Notes so tendered and accepted for payment pursuant to the Offer, payable on the Settlement Date. The Tender Consideration for each \$1,000 principal amount of the Notes validly tendered and not validly withdrawn before the Expiration Time shall be \$1,015.00. In addition to the applicable Tender Consideration, Holders who validly tender their Notes prior to the Expiration Time, if such Notes are accepted for payment pursuant to the Offer, also will be paid accrued and unpaid interest from the last date on which interest is paid on the Notes to, but excluding, the Settlement Date. With respect to Notes accepted for purchase pursuant to the guaranteed delivery procedures, the Holders thereof will receive payment of the Tender Consideration, plus accrued and unpaid interest to, but excluding the Settlement Date (to the extent such Notes are not delivered prior to the Expiration Time) on the Guaranteed Delivery Settlement Date.

EXPIRATION TIME; EXTENSION; AMENDMENT; TERMINATION

The Offer will expire at 5:00 p.m., New York City time, on July 14, 2016, unless extended or earlier terminated by us. In the event that the Offer is extended, the term "Expiration Time" shall mean the time and date on which the Offer, as so extended, shall expire.

We expressly reserve the right, subject to applicable law, to (1) terminate the Offer prior to the Expiration Time and not accept for payment any Notes not theretofore accepted for payment pursuant to the Offer for any reason, (2) waive any and all of the conditions of the Offer prior to the Expiration Time, (3) extend the Expiration Time and (4) otherwise amend the terms of the Offer in any respect. The rights reserved by us in this paragraph are in addition to our rights to terminate the Offer as described in "Conditions of the Offer."

We may exercise our right to terminate or amend the Offer. If we make a material change in the terms of the Offer or the information concerning the Offer or waive a material condition of the Offer, we will, to the extent required by law, disseminate additional Offer materials and extend the Offer. In addition, we may, if we deem appropriate, extend the Offer for any other reason.

If we extend the Offer or if, for any reason (whether before or after any Notes have been accepted for purchase), the acceptance for purchase of, or the payment for, Notes is delayed or we are unable to accept for purchase or pay for Notes validly tendered pursuant to the Offer, then, without prejudice to our rights pursuant to the Offer, tendered Notes may be retained by the Information Agent and Tender Agent on our behalf and may not be withdrawn, except (i) as otherwise required by applicable law, including Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of the Offer, as applicable, and (ii) that we will permit withdrawal rights (x) until the earlier of (a) the Expiration Time and (b) if the Offer is extended, the 10th business day following commencement of the Offer, and (y) after the 60th business day following commencement of the Offer if for any reason the Offer has not yet been consummated by the 60th business day following commencement of the Offer.

Any extension, amendment or termination of the Offer by us will be followed as promptly as practicable by announcement thereof in accordance with applicable law. Without limiting the manner in which we may choose to make such announcement, we will not, unless otherwise required by law, have any obligation to advertise or otherwise communicate any such announcement other than by issuing a press release or such other means of announcement as we deem appropriate. Any announcements relating to the extension, amendment or termination of the Tender Offer or our acceptance for payment of the Notes shall be done as soon as possible, and in the case of an extension of the Expiration Time, shall be done no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Time.

ACCEPTANCE OF NOTES FOR PURCHASE AND PAYMENT; ACCRUAL OF INTEREST

Upon the terms and subject to the conditions set forth in the Offer Documents, Holders that validly tender (and do not validly withdraw) their Notes before the Expiration Time will be entitled to receive the Tender Consideration, plus accrued and unpaid interest on those Notes from the last date on which interest is paid on the Notes to, but excluding, the Settlement Date. With respect to Notes accepted for purchase pursuant to the guaranteed delivery procedures, the Holders thereof will receive payment of the Tender Consideration, plus accrued and unpaid interest from the last date on which interest is paid on the Notes to, but excluding the Settlement Date on the Guaranteed Delivery Settlement Date.

Under no circumstances will any additional interest or additional consideration be payable because of any delay in the transmission of funds with respect to purchased Notes, any delay on the part of the guaranteed delivery procedures, or otherwise.

We expressly reserve the right, in our sole discretion, to delay acceptance for purchase of, or payment for, Notes tendered under the Offer (subject to Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited pursuant to the Offer promptly after termination or withdrawal of the Offer, as applicable), or to terminate the Offer and not accept for purchase any Notes not previously accepted for purchase, (1) if any of the conditions to the Offer shall not have been satisfied or waived by us, or (2) in order to comply with any applicable law.

In all cases, payment for Notes purchased pursuant to the Offer will be made only after timely receipt by the Information Agent and Tender Agent of (1) certificates representing the Notes, or timely confirmation of a book-entry transfer of the Notes into the Information Agent and Tender Agent's account at DTC, (2) the validly completed and duly executed Letter of Transmittal (or a facsimile thereof) or an Agent's Message (as defined in "Procedures for Tendering Notes") in lieu thereof, and (3) all necessary signature guarantees and any other documents required by the Letter of Transmittal or the Notice of Guaranteed Delivery, as applicable.

For purposes of the Offer, we will have accepted for purchase validly tendered Notes, if, as and when we give verbal or written notice to the Information Agent and Tender Agent of our acceptance of the Notes for purchase pursuant to the Offer. In all cases, payment for Notes purchased pursuant to the Offer will be made by deposit of the Tender Consideration plus accrued and unpaid interest up to, but excluding, the Settlement Date, in immediately available funds with the Information Agent and Tender Agent or upon its instructions, DTC, which will act as your agent for the purpose of receiving payments from us and transmitting payments to you. Subject to applicable laws and the withdrawal rights provided for herein, if, for any reason whatsoever, acceptance for purchase of, or payment for, any Notes tendered pursuant to the Offer is delayed (whether before or after our acceptance for purchase of the Notes) or we extend the Offer or are unable to accept for purchase, or pay for, the Notes tendered pursuant to the Offer, then, without prejudice to our rights set forth herein, we may instruct the Information Agent and Tender Agent to retain tendered Notes, and those Notes may not be withdrawn, except pursuant to the withdrawal rights provided for herein or as required by applicable law.

If the Offer is terminated, or Notes are not accepted for purchase pursuant to the Offer, then no consideration will be paid or payable to Holders of Notes. If any tendered Notes are not purchased pursuant to the Offer for any reason or certificates are submitted evidencing more Notes than are tendered, then such Notes not purchased will be returned, without expense, to the tendering Holder (or, in the case of Notes tendered by book-entry transfer, such Notes will be credited to the account maintained at DTC from which such Notes were delivered) unless otherwise requested by such Holder under "Special Delivery Instructions" in the Letter of Transmittal, promptly following the earlier of the Expiration Time or date of termination of the Offer.

We reserve the right, pursuant to the Offer, to transfer or assign, in whole at any time, or in part from time to time, to one or more of our affiliates, the right to purchase Notes tendered pursuant to the Offer, but any such transfer or assignment will not relieve us of our obligations pursuant to the Offer or prejudice the rights of tendering Holders to receive consideration pursuant to the Offer.

Notes may be tendered and accepted for payment only in principal amounts equal to minimum denominations of \$150,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in the minimum authorized denomination of \$150,000 principal amount.

You will not be obligated to pay brokerage fees or commissions if you tender your Notes directly to the Information Agent and Tender Agent or, except as set forth in Instruction 7 of the Letter of Transmittal, transfer taxes on the purchase of the Notes by us pursuant to the Offer. We will pay all fees and expenses of the Dealer Manager and the Information Agent and Tender Agent in connection with the Offer.

PROCEDURES FOR TENDERING NOTES

General

The method of delivery of Notes, Letters of Transmittal, Notices of Guaranteed Delivery, any required signature guarantees and all other required documents, including delivery through DTC and any acceptance of an Agent's Message transmitted through ATOP, is at the election and risk of the person tendering Notes, the Letter of Transmittal, the Notice of Guaranteed Delivery or transmitting an Agent's Message, and, except as otherwise provided in the Letter of Transmittal, delivery will be deemed made only when actually received by the Information Agent and Tender Agent. If delivery is by mail, it is suggested that the Holder use properly insured, registered mail with return receipt requested, and that the mailing be made sufficiently in advance of the Expiration Time to permit delivery to the Information Agent and Tender Agent prior to such time. Notes may be tendered and accepted for payment only in principal amounts equal to minimum denominations of \$150,000 and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent tenders will be accepted. Holders who tender less than all of their Notes must continue to hold Notes in the minimum authorized denomination of \$150,000 principal amount.

The tender by a Holder of Notes (and subsequent acceptance thereof by us) pursuant to one of the procedures set forth below will constitute a binding agreement between such Holder and us in accordance with the terms and subject to the conditions set forth in the Offering Documents.

Tenders of Notes Held in Physical Form

To validly tender Notes held in physical form, a properly completed Letter of Transmittal (or a manually signed facsimile thereof) duly executed by the Holder of such Notes, together with any signature guarantees and any other documents required by the Letter of Transmittal, must be received by the Information Agent and Tender Agent at its address set forth on the back cover of this Offer to Purchase and certificates representing such Notes must be received by the Information Agent and Tender Agent at such address prior to the Expiration Time. Letters of Transmittal and Notes should be sent only to the Information Agent and Tender Agent and should not be sent to the Company, the Trustee for the Notes or the Dealer Manager.

If the Notes are registered in the name(s) of person(s) other than the signer of a Letter of Transmittal, then, in order to tender such Notes pursuant to the Offer, the Notes must be endorsed or accompanied by an appropriate written instrument or instruments of transfer signed exactly as the name(s) of such Holder(s) appear on the Notes, with the signature(s) on the Notes or instruments of transfer guaranteed as provided below. If these procedures are followed by a beneficial owner tendering Notes prior to the Expiration Time, the Holder(s) of such Notes must sign a valid proxy.

Tender of Notes Held Through a Custodian

Any beneficial owner whose Notes are registered in the name of a broker, dealer, commercial bank, trust company or other nominee and who wishes to tender Notes should contact such broker, dealer, commercial bank, trust company or other nominee promptly and instruct such broker, dealer, commercial bank, trust company or other nominee to tender Notes on such beneficial owner's behalf. See the Instructions to the Letter of Transmittal for documents provided herewith that may be used by a beneficial owner in this process to instruct the broker, dealer, commercial bank, trust company or other nominee to tender Notes. Beneficial owners wishing to participate in the Offer should contact their broker, dealer, commercial bank, trust company or other nominee as soon as possible in order to determine the time by which such owner must take action in order to so participate. The deadlines set by any such brokers, dealers, commercial banks, trust companies or other nominees or intermediaries, as well as DTC, for the submission of tender instructions will be earlier than the relevant deadlines specified in this Offer to Purchase.

Tender of Notes Held Through DTC

To tender Notes that are held through DTC, DTC participants should either (1) properly complete and duly execute the Letter of Transmittal (or a manually signed facsimile thereof), together with any other documents required by the Letter of Transmittal, and mail or deliver the Letter of Transmittal and such other documents to the Information Agent and Tender Agent; or (2) electronically transmit their acceptance through ATOP (and thereby tender Notes) for which the Offer will be eligible. Upon receipt of such Holder's acceptance through ATOP, DTC will edit and verify the acceptance and send an Agent's Message to the Information Agent and Tender Agent for its acceptance. Delivery of tendered Notes held through DTC must be made to the Information Agent and Tender Agent pursuant to the book-entry delivery procedures set forth below.

Except as provided below, unless the Notes being tendered pursuant to the Offer are deposited with the Information Agent and Tender Agent prior to the Expiration Time (accompanied by a properly completed and duly executed Letter of Transmittal, or a manually signed facsimile thereof, or a properly transmitted Agent's Message, and all other required documents), we may, at our option, reject such tender. Payment for the Notes will be made only against deposit of the tendered Notes and delivery of any other required documents.

Guaranteed Delivery Procedures

If a Holder wishes to tender Notes into the Offer and the Holder's Notes are not immediately available or the Holder cannot deliver the Notes to the Information Agent and Tender Agent before the Expiration Time, or the Holder cannot complete the procedure for book-entry transfer on a timely basis, or if time will not permit all required documents to reach the Information Agent and Tender Agent before the Expiration Time, the Holder may nevertheless tender the Notes, provided that the Holder satisfies all of the following conditions:

- the tender is made by or through an eligible institution;

- guaranteed deliveries are submitted only in principal amounts equal to minimum denominations of \$150,000 and integral multiples of \$1,000 in excess thereof;
- the Information Agent and Tender Agent receives by mail, overnight courier or facsimile transmission, before the Expiration Time, a properly completed and duly executed Notice of Guaranteed Delivery in the form we have provided, including (where required) a signature guarantee by an eligible institution in the form set forth in such Notice of Guaranteed Delivery; and
- the Information Agent and Tender Agent receives the Notes, in proper form for transfer, or confirmation of book-entry transfer of the Notes into the Information Agent and Tender Agent's account at the book-entry transfer facility, together with a properly completed and duly executed Letter of Transmittal, or a manually signed facsimile thereof, and including any required signature guarantees, or an Agent's Message, and any other documents required by the Letter of Transmittal, within two business days after the date of receipt by the Information Agent and Tender Agent of the Notice of Guaranteed Delivery.

The Guaranteed Delivery Settlement Date is expected to take place promptly after the delivery of such Notes tendered by guaranteed delivery procedures.

FOR THE AVOIDANCE OF DOUBT, THE DELIVERY OF SUCH NOTES TENDERED BY GUARANTEED DELIVERY PROCEDURES WILL BE MADE NO LATER THAN 5:00 P.M., NEW YORK CITY TIME, ON JULY 18, 2016, THE SECOND BUSINESS DAY AFTER THE EXPIRATION TIME; PROVIDED, THAT ACCRUED INTEREST WILL CEASE TO ACCRUE ON THE SETTLEMENT DATE FOR ALL NOTES ACCEPTED IN THE OFFER, INCLUDING THOSE TENDERED BY THE GUARANTEED DELIVERY PROCEDURES SET FORTH ABOVE AND UNDER NO CIRCUMSTANCES WILL ADDITIONAL INTEREST ON THE TENDER CONSIDERATION BE PAID BY THE COMPANY AFTER THE SETTLEMENT DATE BY REASON OF ANY DELAY ON THE PART OF THE GUARANTEED DELIVERY PROCEDURES.

Book-Entry Delivery Procedures

The Information Agent and Tender Agent will establish accounts with respect to the Notes at DTC for purposes of the Offer within three business days after the date of this Offer to Purchase. Any financial institution that is a participant in DTC may make book-entry delivery of the Notes by causing DTC to transfer such Notes into the Information Agent and Tender Agent's account in accordance with DTC's procedures for such transfer.

Although delivery of the Notes may be effected pursuant to the Offer through book-entry transfer into the Information Agent and Tender Agent's account at DTC, the Letter of Transmittal (or a manually signed facsimile thereof) with any required signature guarantees, or an Agent's Message in connection with a book-entry transfer, and any other required documents, must, in any case, be transmitted to and received by the Information Agent and Tender Agent at one or more of its addresses set forth on the back cover of this Offer to Purchase prior to the Expiration Time in connection with the tender of such Notes. **Delivery of documents to DTC does not constitute delivery to the Information Agent and Tender Agent.**

The term "Agent's Message" means a message transmitted by DTC to, and received by, the Information Agent and Tender Agent and forming a part of the book-entry confirmation, which states that DTC has received an express acknowledgment from each participant in DTC tendering the Notes and that such participants have received the Letter of Transmittal and agree to be bound by the terms of the Letter of Transmittal, and we may enforce such agreement against such participants.

Holders wishing to tender Notes or use the guaranteed delivery procedures prior to the Expiration Time through ATOP should note that such Holders must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC on such date. If the Holder is executing the tender through ATOP, the DTC participant need not complete and physically deliver the Notice of Guaranteed Delivery, but each Holder will be bound by the terms of the Offer.

Signature Guarantees

Signatures on all Letters of Transmittal must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program (a “Medallion Signature Guarantor”), unless the Notes are tendered (1) by a registered Holder of Notes (or by a participant in DTC whose name appears on a security position listing as the owner of such Notes) who has not completed any of the boxes entitled “Special Payment Instructions” or “Special Delivery Instructions” on the Letter of Transmittal, or (2) for the account of a member firm of a registered national securities exchange, a member of the Financial Industry Regulatory Authority, Inc., a commercial bank or trust company having an office or correspondent in the United States, or an “eligible guarantor institution,” within the meaning of Rule 17Ad-15 under the Exchange Act, (each of the foregoing being referred to as an “Eligible Institution”). If the Notes are registered in the name of a person other than the signer of the Letter of Transmittal, or if Notes that are not accepted for payment pursuant to the Offer are to be returned to a person other than the registered Holder, then the signature on the Letter of Transmittal accompanying the tendered Notes must be guaranteed by a Medallion Signature Guarantor as described above. See the Instructions to the Letter of Transmittal.

Mutilated, Lost, Stolen or Destroyed Certificate

If a Holder wishes to tender Notes pursuant to the Offer, but the certificates evidencing such Notes have been mutilated, lost, stolen or destroyed, such Holder should contact Deutsche Bank Trust Company Americas, the Trustee for the Notes, to receive information about the procedures for obtaining replacement certificates for Notes.

Effect of Letter of Transmittal

Subject to, and effective upon, the acceptance for purchase of, and payment for, Notes validly tendered pursuant to the Offer, by executing and delivering a Letter of Transmittal, a tendering Holder of Notes, among other things, (1) irrevocably sells, assigns and transfers to, or upon the order of, the Company all right, title and interest in and to all the Notes tendered thereby (and waives any and all other rights with respect to the Notes, including, without limitation, the tendering Holder’s waiver of any existing or past defaults and their consequences in respect of the Notes and the Indenture) and (2) irrevocably constitutes and appoints the Information Agent and Tender Agent the true and lawful agent and attorney-in-fact of such Holder (with full knowledge that the Information Agent and Tender Agent also acts as agent of the Company) with respect to any such tendered Notes, with full power of substitution and resubstitution (such power of attorney being deemed to be an irrevocable power coupled with an interest) to (a) deliver certificates representing such Notes, or transfer ownership of such Notes, on the account books maintained by DTC, together, in any such case, with all accompanying evidences of transfer and authenticity, to or upon the order of the Company, (b) present such Notes for transfer on the security register for the Notes, and (c) receive all benefits or otherwise exercise all rights of beneficial ownership of such Notes (except that the Information Agent and Tender Agent will not have the rights to, or control over, funds from the Company, except as agent of the Company, for the consideration for any tendered Notes that are purchased by the Company), all in accordance with the terms and subject to the conditions set forth in the Offer Documents. Our acceptance for payment of Notes tendered under the Offer will constitute a binding agreement between you and us upon the terms and conditions to the Offer described in the Offer Documents, which agreement will be governed by, and construed in accordance with, the laws of the State of New York.

Determination of Validity

All questions as to the validity, form, eligibility (including time of receipt) and acceptance for payment of any Notes tendered pursuant to any of the procedures described above and the form and validity of all documents will be determined by us, in our sole discretion, which determination shall be final and binding. We reserve the absolute right, in our sole discretion, to reject any and all tenders of any Notes determined by us not to be in proper form, or if the acceptance of, or payment for, such Notes may, in the opinion of our counsel, be unlawful. We also reserve the absolute right to waive or amend any condition to the Offer that we are legally permitted to waive or amend and waive any defect or irregularity in any tender with respect to Notes, whether or not similar defects or irregularities are waived in the case of other Holders.

No tender will be deemed to have been validly made until all defects or irregularities in such tender have been cured or waived. None of the Company, the Dealer Manager, the Information Agent and Tender Agent or any

other person will be under any duty to give notification of any defects or irregularities in any tender of any Notes or will incur any liability for failure to give any such notification.

Our interpretation of the terms and conditions of the Offer (including the Letter of Transmittal and the instructions thereto) will be final and binding.

Please send all materials to the Information Agent and Tender Agent and not to the Company or the Dealer Manager.

WITHDRAWAL OF TENDERS

Tendered Notes may be withdrawn at any time at or prior to the earlier of (i) the Expiration Time and (ii) if the Offer is extended, the 10th business day following commencement of the Offer. In addition, tendered Notes may be withdrawn at any time after the 60th business day after commencement of the Offer if for any reason the Offer has not yet been consummated by the 60th business day following commencement of the Offer. In the event of a termination of the Offer with respect to the Notes, such Notes will be credited to the account maintained at DTC from which such Notes were delivered or certificates for such Notes will be returned to such tendering Holders. In addition, the Company may, if it deems appropriate, extend the Expiration Time for any other reason. If the Company makes a material change in the terms of the Offer or the information concerning the Offer or waives a material condition of the Offer, the Company will disseminate additional Offer materials and extend the Offer to the extent required by law. If the consideration to be paid in the Offer is increased or decreased, the Offer will remain open at least five business days from the date the Company first gives notice to Holders, by public announcement or otherwise, of such increase or decrease. In addition, the Company may, if it deems appropriate, extend the Offer for any other reason.

For a withdrawal of a tender of Notes to be effective, the Information Agent and Tender Agent must receive a written or facsimile transmission withdrawal notice or a properly transmitted "Request Message" through ATOP before the applicable time described above. Any such notice of withdrawal must (i) specify the name of the participant in the book-entry transfer facility whose name appears on the security position listing as the owner of such Notes, (ii) contain the description (including principal amount) of the Notes to be withdrawn, (iii) if other than a notice transmitted through ATOP, be signed by the Holder of such Notes in the same manner as the original signature on the Letter of Transmittal by which such Notes were tendered (including any required signature guarantees), or be accompanied by (x) documents of transfer sufficient to have the trustee for such Notes register the transfer of the Notes into the name of the person withdrawing such Notes and (y) a properly completed irrevocable proxy authorizing such person to effect such withdrawal on behalf of such Holder, and (iv) specify the name and number of the account at the book-entry transfer facility to be credited with withdrawn Notes. A withdrawal of Notes may only be accomplished in accordance with the foregoing procedures.

Any permitted withdrawal of Notes may not be rescinded, and any Notes validly withdrawn will thereafter be deemed not validly tendered for purposes of the Offer; provided, however, that validly withdrawn Notes may be re-tendered by again following one of the appropriate procedures described herein at any time at or prior to the Expiration Time.

Subject to applicable laws, if, for any reason whatsoever, acceptance for purchase of, or payment for, any Notes validly tendered pursuant to the Offer is delayed (whether before or after our acceptance for purchase of the Notes), or we extend the Offer or are unable to accept for purchase or pay for the Notes validly tendered pursuant to the Offer, then, without prejudice to our rights set forth herein, we may instruct the Information Agent and Tender Agent to retain tendered Notes, and those Notes may not be withdrawn, subject to Rule 14e-1(c) under the Exchange Act, which requires that we pay the consideration offered or return the Notes deposited by or on behalf of the Holders thereof promptly after the termination or withdrawal of the Offer.

CONDITIONS OF THE OFFER

Notwithstanding any other provisions of the Offer, we will not be required to accept for purchase or to pay for Notes validly tendered pursuant to the Offer, and may terminate, amend or extend the Offer or delay or refrain from accepting for purchase, or paying for, the Notes, if the General Conditions have not been satisfied (and have not been waived by us).

For purposes of the foregoing provision, all of the “General Conditions” will be deemed to be satisfied unless any of the following conditions occur (and are not waived by us):

(a) a determination by us that the acceptance for payment of, or payment for, some or all of the Notes pursuant to the Offer would violate, conflict with or constitute a breach of or default under any order, statute, law, rule, regulation, executive order, decree or judgment of any court, or the terms of any contract or agreement, to which we may be bound or subject;

(b) the occurrence of any attack on or incidences of terrorism involving the United States or Paraguay, any outbreak or escalation of hostilities directly or indirectly involving the United States or Paraguay, any military action or commencement or declaration of war by or directly or indirectly involving the United States or Paraguay, the declaration of a national emergency or any other calamity, emergency or crisis directly or indirectly involving the United States or Paraguay, any material adverse change in economic conditions in or the financial markets of the United States, Paraguay or elsewhere or any change or development involving a prospective change in national or international political, financial or economic conditions;

(c) the occurrence of (1) any general suspension of trading in, or limitation on prices for, securities on the New York Stock Exchange, the NASDAQ Stock Market, the Euro MTF Market of the Luxembourg Stock Exchange or in the over-the-counter market, (2) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or Paraguay, (3) a material change in U.S. or Paraguayan currency exchange rates or a general suspension of or material limitation on the markets therefor, (4) any limitation (whether or not mandatory) by any federal or state authority in the United States or Paraguay on, or any other event which might materially affect, the extension of credit by banks or other financial institutions, (5) any adverse change in the price of the Notes or the U.S. or Paraguay securities or financial markets, (6) a material impairment in the trading market for debt securities, or (7) in the case of any of the foregoing existing at the date hereof, a material acceleration or worsening thereof;

(d) the commencement or pendency before any court, agency, authority or other tribunal of any action, suit or proceeding by any government or governmental, regulatory or administrative agency or authority or by any other person, domestic or foreign, or any judgment, order or injunction entered, enforced or deemed applicable by any such court, authority, agency or tribunal, which (1) challenges or seeks to make illegal, or to delay or otherwise directly or indirectly to restrain, prohibit or otherwise adversely affect the making of the Offer or the acquisition of Notes pursuant to the Offer or is otherwise related in any material manner to, or otherwise affects, the Offer or (2) could, in our reasonable judgment, materially affect the business, condition (financial or other), assets, income, operations or prospects of us and our subsidiaries, taken as a whole, or otherwise materially impair in any way the contemplated future conduct of the business of us and our subsidiaries, taken as a whole, or materially impair the contemplated benefits to us of the Offer;

(e) the occurrence of any action threatened or taken, or any approval withheld, or any statute, rule or regulation invoked, proposed, sought, promulgated, enacted, entered, amended, enforced or deemed to be applicable to the Offer or us or any of our subsidiaries, by any government or governmental, regulatory or administrative authority or agency or tribunal, domestic or foreign, which, in our reasonable judgment, would or might, directly or indirectly, result in any of the consequences referred to in clause (1) or (2) of paragraph (d) above; or

(f) the occurrence of any change or changes or threatened change or changes in the business, condition (financial or other), assets, income, operations, prospects, policies, or debt or stock ownership of us or our subsidiaries that, in our reasonable judgment, is or could be material to us or our subsidiaries or otherwise make it inadvisable to proceed with the purchase of the Notes pursuant to the Offer.

The General Conditions are for our sole benefit, and the failure of any such condition to be satisfied may be asserted by us at any time prior to the Expiration Time regardless of the circumstances, including any action or

inaction by us, giving rise to any such failure, and any such failure may be waived by us in whole or in part at any time and from time to time in our sole discretion.

If the General Conditions have not been satisfied, subject to the termination rights as described above, we may (1) return Notes tendered thereunder to the Holders who tendered them, (2) extend the Offer and retain all Notes tendered thereunder until the expiration of such extended Offer, or (3) amend the Offer in any respect by giving written notice of such amendment to the Information Agent and Tender Agent and as otherwise required by applicable law. If we make a material change in the terms of the Offer or the information concerning the Offer or waive a material condition of the Offer, we will, to the extent required by law, disseminate additional Offer materials and/or extend the Offer. In addition, we may, if we deem appropriate, extend the Offer for any other reason. We also reserve the right at any time to waive satisfaction of any or all conditions to the Offer. Our failure at any time to exercise any of the foregoing rights will not be deemed a waiver of any other right, and each right will be deemed an ongoing right which may be asserted at any time and from time to time. See “Expiration Time; Extension; Amendment; Termination.”

TAXATION

Certain Paraguayan Tax Considerations

The following summary contains a description of the principal Paraguayan tax consequences of the disposition of the Notes by a Non-Paraguayan Holder (as defined below). It does not purport to be a comprehensive description of all of the tax considerations that may be applicable to any particular holder. In addition, it does not describe any tax consequences (i) arising under the laws of any taxing jurisdiction other than Paraguay or (ii) that are applicable to a resident of Paraguay.

A “Non-Paraguayan Holder” is a holder of Notes who is not a resident of Paraguay for tax purposes, or does not have a beneficial interest therein, in connection with a trade or business through a permanent establishment in Paraguay. Under Paraguay’s tax laws, a foreign individual or entity that engages in non-personal services, commercial or industrial activities performed inside Paraguayan territory or holds assets located in Paraguayan territory must pay income tax in Paraguay.

This summary is based upon Paraguayan Income Tax Law (Ley No. 125/91 as amended by Ley de Adecuación Fiscal N° 2.421) in effect as of the date of this Offer to Purchase. Paraguayan tax laws are subject to change. Holders of the Notes should consult their own tax advisers as to the Paraguayan or other tax consequences of the sale or disposition of the Notes, including, in particular, the effect of any foreign state or local tax laws.

Paraguay has entered into, and is negotiating several tax treaties that may affect the Paraguayan withholding tax liability of Non-Paraguayan Holders. Holders of the Notes should consult their own tax advisers as to the tax consequences, if any, of such treaties.

Under Paraguayan Income Tax Law, and the regulations thereunder, interest in respect of Notes purchased pursuant to the Offer to a Non-Paraguayan Holder will be subject to Paraguayan withholding tax of 6% to the extent the Non-Paraguayan Holder is a “foreign bank, financial or other recognized credit institution” (entidades bancarias o financieras u otras instituciones de crédito de reconocida trayectoria en el mercado financiero) or 15% in all other cases.

Payment of interest and commissions are also subject to a 10% withholding tax under the Paraguayan Value Added Tax (VAT).

A Non-Paraguayan Holder will not be liable for other types of taxes with respect to its holdings, nor will it be liable for any Paraguayan stamp, issue, registration or similar tax or duty.

The Company will provide a gross up in the amount of any taxes with respect to the purchase of the Notes.

Certain U.S. Federal Income Tax Consequences

The following summary describes certain U.S. federal income tax consequences of the Offer to U.S. Holders (as defined below), but does not purport to be a complete analysis of all the potential tax considerations. This summary is based on current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and Treasury regulations, rulings and judicial decisions, all of which are subject to differing interpretations and/or change at any time (possibly with retroactive effect). This summary does not discuss all aspects of U.S. federal income taxation that may be relevant to particular investors in light of their individual circumstances or to taxpayers subject to special treatment under U.S. federal income tax law, such as:

- banks or other financial institutions;
- insurance companies;
- regulated investment companies and real estate investment companies;
- controlled foreign corporations, personal holding companies and corporations that accumulate earnings to avoid U.S. federal income tax;
- tax-exempt organizations;

- dealers or traders subject to a mark-to-market method of tax accounting in respect of the Notes;
- persons holding Notes as part of a hedge, straddle, conversion or other integrated transaction;
- entities classified as partnerships (or other pass-through entities) for U.S. federal income tax purposes and investors therein;
- U.S. expatriates;
- U.S. Holders that have a “functional currency” other than the U.S. dollar and
- persons subject to the alternative minimum tax.

This summary applies only to U.S. Holders that hold their Notes as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment). In addition, this summary does not discuss any U.S. federal tax consequences other than certain federal income tax consequences, any state, local or foreign tax consequences or the Medicare tax on net investment income.

No ruling has been or will be sought from the Internal Revenue Service (the “IRS”) regarding any tax consequences relating to the matters discussed herein. Consequently, no assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of those summarized below.

This summary of certain U.S. federal income tax consequences is for general information only and is not tax advice for any particular holder. Holders should consult their own tax advisors concerning the U.S. federal income tax consequences in light of their particular situations, as well as any consequences with respect to tendering Notes under other U.S. federal tax laws or the laws of any state, local, foreign or other taxing jurisdiction.

As used herein, the term “U.S. Holder” means a beneficial owner of a Note that is for U.S. federal income tax purposes:

- (1) an individual who is a citizen or resident of the United States;
- (2) a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- (3) an estate the income of which is subject to U.S. federal income taxation regardless of its source;
or
- (4) a trust (x) with respect to which a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all of its substantial decisions or (y) that has in effect a valid election under applicable U.S. Treasury regulations to be treated as a United States person.

If an entity or arrangement is treated as a partnership for U.S. federal income tax purposes holds Notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partnership or a partner in a partnership holding Notes, you should consult your own tax advisor.

In general, a U.S. Holder who sells Notes pursuant to the Offer will recognize U.S. source gain or loss in an amount equal to the difference between the amount realized by the U.S. Holder in such sale (other than any portion attributable to accrued and unpaid interest with respect to the Notes, which will be taxable separately as ordinary interest income to the extent not previously included in gross income) and the U.S. Holder’s adjusted tax basis in such Notes. A U.S. Holder’s adjusted tax basis in a Note generally will be the original cost of the Note to that U.S. Holder increased by any market discount (as discussed below) previously included in the U.S. Holder’s gross income with respect to the Note and decreased (but not below zero) by any amortizable bond premium which

the U.S. Holder has previously amortized with respect to the Note. If a U.S. Holder is subject to Paraguayan tax on gain realized on the sale of a Note pursuant to the Offer, it may not be able to credit that Paraguayan tax against its U.S. federal income tax liability unless such a U.S. Holder has foreign-source income in the appropriate category. U.S. Holders should consult your tax advisor regarding the availability of foreign tax credits in their particular circumstances.

Subject to the market discount rules described below, a U.S. Holder's gain or loss generally will constitute capital gain or loss, and will be long-term capital gain or loss if the U.S. Holder's holding period for the Notes at the time of the sale is more than one year. Under current law, long-term capital gains of certain non-corporate U.S. Holders (including individuals) are eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitations. Gain or loss will be computed separately for each Note sold by a U.S. Holder.

In the case of a U.S. Holder who acquired the Notes at a market discount, any gain recognized upon the sale of the Notes will constitute ordinary income to the extent of the market discount that accrued during the period the U.S. Holder held the Notes, unless the U.S. Holder previously had elected to include such market discount in income as it accrued. A Note generally will be considered to be acquired with market discount if the Note's stated principal amount exceeded the U.S. Holder's initial tax basis in the Note by at least a statutory de minimis amount.

Information reporting requirements may apply to the payment of the Tender Consideration and to the payment of accrued and unpaid interest to U.S. Holders. To avoid backup withholding, a U.S. Holder whose Notes are accepted for payment is generally required to provide the depository or other payor with the U.S. Holder's correct taxpayer identification number ("TIN") on IRS Form W-9, certify that the U.S. Holder is not subject to backup withholding, and otherwise comply with applicable requirements of the backup withholding rules. If the U.S. Holder does not provide the depository or other payor with the correct TIN, the U.S. Holder may be subject to various penalties, and payments that are made to such U.S. Holder may be subject to backup withholding.

Certain U.S. Holders (including, among others, certain corporations) are not subject to these information reporting and backup withholding requirements but may be required to provide evidence of their applicable exemption. If backup withholding applies, the depository or other payor is required to withhold 28% of any payment made to the U.S. Holder. Backup withholding is not an additional tax; any amounts so withheld may be credited against the U.S. federal income tax liability of the U.S. Holder subject to the withholding. If backup withholding results in an overpayment of U.S. federal income taxes, a refund or credit may be obtained from the IRS if the required information is properly furnished in a timely manner.

Holders Who Do Not Tender

For U.S. federal income tax purposes, a Holder that does not sell Notes pursuant to the Offer will not recognize any gain or loss, and will have the same adjusted tax basis, holding period and accrued market discount, if any, in its Notes.
