

CONSENT SOLICITATION STATEMENT

Solicitation of Consents by Auna S.A.A., an openly held corporation (*sociedad anónima abierta*) incorporated under the laws of Peru (the “Company”) Relating to the Notes Set Forth Below:

Title of Security	CUSIP and ISIN Number(s)	Outstanding Principal Amount	Consent Payment ⁽¹⁾
6.500% Senior Notes due 2025 (the “Notes”)	CUSIP: 05151V AA5 / P0592V AA6 ISIN: US05151VAA52 / USP0592VAA63	U.S.\$300,000,000	U.S.\$1.25

(1) The Consent Payment (as defined below) per U.S.\$1,000 aggregate principal amount of the Notes for which a Holder thereof has delivered valid and unrevoked Consents to the Proposed Amendment (on or prior to the Expiration Date), subject to the terms and conditions set forth herein. No accrued interest will be paid in connection with the Consent Solicitation. Holders who validly deliver (and do not validly revoke) their Consents on or prior to the Expiration Date will receive the Consent Payment, subject to the terms and conditions set forth herein.

THE CONSENT SOLICITATION WILL EXPIRE AT 5:00 P.M., NEW YORK CITY TIME, ON JUNE 7, 2023. THE COMPANY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO ABANDON, TERMINATE, AMEND OR EXTEND A CONSENT SOLICITATION WITH RESPECT TO THE PROPOSED AMENDMENT (AS DEFINED BELOW) FOR THE NOTES. THE TERM “EXPIRATION DATE” SHALL MEAN THE TIME AND DATE ON OR TO WHICH THE CONSENT SOLICITATION WITH RESPECT TO THE NOTES IS SO EXPIRED, TERMINATED OR EXTENDED.

The Company, as issuer with respect to the Notes, hereby solicits consents (the “**Consents**”) (such solicitation with respect to the Notes, the “**Consent Solicitation**”) from each holder (each a “**Holder**” and, together, the “**Holders**”) of the Notes issued by the Company, upon the terms and subject to the conditions set forth in this Consent Solicitation Statement (as the same may be amended or supplemented from time to time, this “**Consent Solicitation Statement**”), to the Proposed Amendment (as defined below) to the Indenture (as defined below) under which the Notes were issued, in order to, among other things, with respect to the Notes, allow the Company to consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, convey, transfer, lease or otherwise dispose of (or cause or permit any Restricted Subsidiary to sell, assign, convey, transfer, lease or otherwise dispose of) all or substantially all of its properties and assets, in one or more related transactions, to any Person, subject to certain conditions, including that the Interest Coverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction (collectively, the “**Proposed Amendment**”).

For the purposes of this Consent Solicitation Statement:

- “**Indenture**” means the indenture dated as of November 20, 2020 between the Company, the Guarantors party thereto and Citibank, N.A., as Trustee, Paying Agent, Registrar and Transfer Agent (the “**Trustee**”), as amended and supplemented by the supplemental indenture, dated as of October 5, 2022, between the Company, the Supplemental Guarantors party thereto and the Trustee; and
- all capitalized terms used herein but not defined in this Consent Solicitation Statement have the respective meanings ascribed to them in the Indenture.

The Company is requesting consent from Holders of the Notes to effect the Proposed Amendment, following which the Company may consolidate with or merge with or into any Person, subject to certain conditions, including that the Interest Coverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction.

After the Supplemental Indenture (as defined below) is effective, the Company expects to redomicile to Luxembourg by way of a merger of the Company into Auna S.A., a *société anonyme* (limited liability company) incorporated and existing under the laws of the Grand Duchy of Luxembourg (“**Auna Lux**”), with Auna Lux continuing as the surviving entity (the “**Merger**”). As part of the Merger, Auna Lux will allocate all the assets and liabilities of the Company to, and hold them through, its Peruvian branch (*sucursal*), Auna S.A., Sucursal del Peru, incorporated and existing under the laws of Peru (“**Auna Lux Sucursal**”). Accordingly, the Company expects that Auna Lux (through Auna Lux Sucursal) will be the Successor Issuer of the Notes. The Net Leverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction. The Merger would further simplify the structuring of the entities through which the Company conducts its operations as it expands its regional presence throughout Spanish-speaking Americas (“**SSA**”).

For the actual text of the Proposed Amendment, see “The Proposed Amendment.” Except for the Proposed Amendment, all of the existing terms of the Indenture will remain unchanged.

After the satisfaction or waiver of the Consent Conditions (as defined below) for the Notes, the Company will pay, or cause to be paid, to DTC (as defined below) a cash payment in the amount set forth in the table on the cover of this Consent Solicitation Statement per U.S.\$1,000 aggregate principal amount of the Notes for which Consents to the Proposed Amendment are validly delivered and not validly revoked (the “**Consent Payment**”) for the benefit of the Holders of Notes who validly delivered and did not validly revoke Consents to such Proposed Amendment on or prior to the Expiration Date for the Notes. The Company expects to pay, or cause to be paid, the Consent Payment to DTC for the benefit of such Holders who validly delivered and did not validly revoke Consents to such Proposed Amendment on or prior to the Expiration Date for the Notes within two business days of the Expiration Date and upon the satisfaction or waiver of all Consent Conditions with respect to the Notes (such date with respect to the Notes, the “**Settlement Date**”). **Holders of the Notes for which no Consent is validly delivered, or is validly revoked, will not be eligible to, and will not, receive the Consent Payment, even though the Proposed Amendment, if approved, will bind all Holders of Notes and their transferees upon the execution and effectiveness of the Supplemental Indenture (as defined below) at the Consent Time (as defined below).** See “The Consent Solicitation—Consent Payments.”

If the Holders of at least a majority of the aggregate outstanding principal amount of the Notes validly deliver and do not validly revoke Consents to the Proposed Amendment (the “**Requisite Consents**”), the Company and, upon receipt of an Officers’ Certificate and an Opinion of Counsel, the Trustee will execute a supplemental indenture to the Indenture in a form acceptable to the Trustee effecting the Proposed Amendment (the “**Supplemental Indenture**”). The time and date on which the Supplemental Indenture is executed is hereinafter referred to as the “**Consent Time**” with respect to the Notes. Consents to the Proposed Amendment for the Notes may not be revoked at any time after the earlier of the Consent Time and the Revocation Deadline (as defined herein), even if the Revocation Deadline for the Notes is later than such Consent Time. Although the Supplemental Indenture and the related Proposed Amendment will become effective immediately upon execution at the Consent Time, such Proposed Amendment will not be operative until the Consent Payment to DTC for the benefit of the Holders is paid on the Settlement Date. The Company expects to pay (or cause to be paid) the Consent Payment to DTC for the benefit of the Holders on the Settlement Date. Once the Supplemental Indenture is effective, any Consents given with respect to the Notes may not be revoked and all Holders, including non-consenting Holders, and their respective transferees will be bound by the terms thereof. If the Consent Conditions are not satisfied or waived with respect to the Notes, no Consent Payment with respect to the Notes will be paid to any Holder thereof.

The Consent Solicitation is being made to all Holders in whose name a Note was registered at 5:00 p.m., New York City time, on May 23, 2023 (the “**Record Date**”) and their duly designated proxies.

Global Bondholder Services Corporation is acting as the Information and Tabulation Agent (as defined below) with respect to the Consent Solicitation.

The Solicitation Agents for the Consent Solicitation are:

BTG Pactual

J.P. Morgan

HSBC

Santander

The date of this Consent Solicitation Statement is May 24, 2023.

The delivery of a Consent will not affect a Holder's right to sell or transfer the Notes. Only Holders of record as of the Record Date, or their duly designated proxies, including, for the purposes of the Consent Solicitation, DTC Participants (as defined below), may submit a Consent with respect to the Notes. A properly delivered Consent for the Notes shall bind the Holders of the Notes executing the same and any subsequent registered holder or transferee of the Notes to which such Consent relates.

As of the Record Date, all of the Notes were held through The Depository Trust Company ("DTC") by participants in DTC ("DTC Participants").

DTC has confirmed that the Consent Solicitation is eligible for DTC's Automated Tender Offer Program ("ATOP"). Accordingly, a beneficial owner of an interest in a Note (a "Beneficial Owner") held through a DTC Participant must electronically deliver a Consent to the Information and Tabulation Agent in accordance with DTC's ATOP procedures. DTC Participants will be deemed to have delivered a Consent with respect to any Notes for which an electronic Consent is so delivered. DTC will verify each transaction and confirm the electronic delivery of such Consent by sending an Agent's Message (as defined below) to the Information and Tabulation Agent, which states that DTC has received an express and unconditional acknowledgment from the DTC Participant delivering Consents that such DTC Participant (i) has received and agrees to be bound by the terms of the Consent Solicitation as set forth in this Consent Solicitation Statement and that the Company may enforce such agreement against such DTC Participant and (ii) consents to the Proposed Amendment and the execution and delivery of the related Supplemental Indenture as described in this Consent Solicitation Statement. **There will be no consent letter or letter of transmittal for the Consent Solicitation. Consents must be electronically delivered in accordance with DTC'S ATOP procedures.**

BENEFICIAL OWNERS OF NOTES SHOULD BE AWARE THAT THEIR BROKER, DEALER, COMMERCIAL BANK, TRUST COMPANY OR OTHER NOMINEE MAY ESTABLISH ITS OWN DEADLINE, EARLIER THAN THE EXPIRATION TIME, FOR PARTICIPATION IN THE CONSENT SOLICITATION.

Holders residing outside of the United States who wish to deliver a Consent must satisfy themselves as to their full observance of the laws of the relevant jurisdiction in connection therewith. If the Company becomes aware of any state or foreign jurisdiction where the making of a Consent Solicitation is prohibited, the Company will make a good faith effort to comply with the requirements of any such state or foreign jurisdiction. If, after such effort, the Company cannot comply with the requirements of any such state or foreign jurisdiction, the Consent Solicitation will not be made to (and Consents will not be accepted from or on behalf of) Holders in such state or foreign jurisdiction.

HOLDERS WHO WISH TO CONSENT MUST DELIVER THEIR CONSENT TO THE INFORMATION AND TABULATION AGENT IN ACCORDANCE WITH THE INSTRUCTIONS SET FORTH HEREIN. UNDER NO CIRCUMSTANCES SHOULD ANY HOLDER DELIVER ANY NOTES TO THE COMPANY, THE SOLICITATION AGENTS, THE INFORMATION AND TABULATION AGENT, THE TRUSTEE OR ANY OTHER PARTY AT ANY TIME.

NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OTHER THAN AS CONTAINED IN THIS CONSENT SOLICITATION STATEMENT AND, IF GIVEN OR MADE, SUCH INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY THE COMPANY. NONE OF THE COMPANY, THE INFORMATION AND TABULATION AGENT, THE SOLICITATION AGENTS NOR THE TRUSTEE TAKES ANY RESPONSIBILITY FOR, AND NONE OF THEM CAN PROVIDE ANY ASSURANCE AS TO THE RELIABILITY OF, ANY INFORMATION THAT OTHERS MIGHT GIVE TO YOU. THE DELIVERY OF THIS CONSENT SOLICITATION STATEMENT AT ANY TIME DOES NOT IMPLY THAT THE INFORMATION HEREIN IS CORRECT AS OF ANY TIME SUBSEQUENT TO ITS DATE.

NONE OF THE COMPANY, THE INFORMATION AND TABULATION AGENT, THE SOLICITATION AGENTS, THE TRUSTEE, NOR ANY DIRECTOR, OFFICER, EMPLOYEE, AGENT OR AFFILIATE OF ANY SUCH PERSON MAKES ANY RECOMMENDATION AS TO WHETHER A HOLDER SHOULD DELIVER CONSENTS IN RESPONSE TO THE CONSENT SOLICITATION.

THIS CONSENT SOLICITATION STATEMENT DOES NOT CONSTITUTE A SOLICITATION IN ANY JURISDICTION IN WHICH, OR TO OR FROM ANY PERSON TO OR FROM WHOM, IT IS UNLAWFUL TO MAKE SUCH SOLICITATION. ADDITIONALLY, THIS CONSENT SOLICITATION STATEMENT DOES NOT CONSTITUTE AN OFFER TO SELL OR THE SOLICITATION OF AN OFFER TO BUY ANY OF THE SECURITIES DESCRIBED OR OTHERWISE REFERRED TO IN THIS CONSENT SOLICITATION STATEMENT OR ANY OTHER SECURITIES OF THE COMPANY.

THE COMPANY

Founded in 1989, we are one of the largest companies in Latin America's healthcare industry. We operate 16 hospitals and 10 healthcare centers at all levels of complexity in Mexico, Peru and Colombia. We are the leading provider of oncology healthcare plans with a fully integrated model that services over one million members in Peru, and as of recently, 2.5 million members in dental and vision insurance in Mexico. Since 2018, we have expanded rapidly, not only through growth in our oncology segment and execution of organic developments, but also through the acquisition of important healthcare players in the high growth markets of Mexico and Colombia. We are backed by Enfoca, our controlling shareholder, and one of the leading investment firms in Latin America.

Our purpose and vision are to transform healthcare throughout SSA by bringing high-quality, immediate and affordable healthcare to a broad segment of the population in SSA by 2030, offering them access to an all-in-one, online-offline experience throughout the entire healthcare continuum and empowering them to be in control of their own health journey.

The Company is an openly held corporation (*sociedad anónima abierta*) incorporated under the laws of Peru. The Company's principal executive offices are located at Avenida República de Panamá 3461, San Isidro, Lima, Peru, telephone: +51 1-205-3500.

SOLICITATION CONSIDERATIONS

None of the Company, the Solicitation Agents, the Information and Tabulation Agent, the Trustee, nor any of their respective directors, officers, employees, agents or affiliates makes any recommendation as to whether a Holder should consent to the Proposed Amendment, and neither the Company nor its board of directors has authorized any person to make any such statement. Holders are urged to evaluate carefully all information included in this Consent Solicitation Statement, consult with their own legal, financial, accounting and tax advisors and make their own decision whether to provide their consent to the Proposed Amendment pursuant to the Consent Solicitation. In deciding whether to consent to the Proposed Amendment, you should carefully consider the factors set forth below in addition to the other information described elsewhere in this Consent Solicitation Statement.

Binding Nature of the Supplemental Indenture on Non-Consenting Holders.

If the Holders of at least a majority of the aggregate outstanding principal amount of the Notes validly deliver and do not validly revoke the Requisite Consents for the Notes on or prior to the Expiration Date and do not revoke such Requisite Consents on or prior to the earlier of the Consent Time and the Revocation Deadline for the Notes, the Company and, upon receipt of an Officers' Certificate and an Opinion of Counsel, the Trustee will execute the Supplemental Indenture effecting the Proposed Amendment with respect to the Notes. As a result thereof, the Proposed Amendment will come into effect. Once the Supplemental Indenture becomes effective, it will be binding on all Holders of the Notes whether or not they delivered a Consent to the Proposed Amendment.

Holders of the Notes that (i) do not deliver valid and unrevoked Consents to the Proposed Amendment on or prior to the Expiration Date for the Notes or (ii) properly and timely revoke Consents will not, in each case, be eligible to, and will not, receive the Consent Payment.

Effects of the Proposed Amendment and the Contemplated Transaction.

Once the Supplemental Indenture is executed and the Proposed Amendment has come into effect, the Indenture will allow Company to consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, convey, transfer, lease or otherwise dispose of (or cause or permit any Restricted Subsidiary to sell, assign, convey, transfer, lease or otherwise dispose of) all or substantially all of its properties and assets, in one or more related transactions, to any Person, subject to certain conditions, including that the Interest Coverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction.

After the Supplemental Indenture is effective, the Company expects to redomicile to Luxembourg by way of a merger of the Company into Auna Lux, with Auna Lux continuing as the surviving entity. As part of the Merger, Auna Lux will allocate all the assets and liabilities of the Company to, and hold them through, Auna Lux Sucursal. Accordingly, the Company expects that Auna Lux (through Auna Lux Sucursal) will be the Successor Issuer of the Notes. The Net Leverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction. The Merger would further simplify the structuring of the entities through which the Company conducts its operations as it expands its regional presence throughout SSA.

Thereafter, the Notes will become unsecured unsubordinated obligations of Auna Lux, ranking *pari passu* with all of its direct or indirect unsecured debt obligations, including any additional unsecured debt that Auna Lux may issue in the future.

The Consummation of the Consent Solicitation is subject to certain conditions.

Until the Company announces whether it has decided to accept the Consents validly delivered and not validly revoked in the Consent Solicitation, no assurance can be given that the Consent Solicitation will be completed. The Company's obligation to pay (or cause to be paid) the Consent Payment for valid and unrevoked Consents to the Proposed Amendment for the Notes is subject to and conditioned upon the satisfaction or waiver of the Consent Conditions. We cannot assure Holders that the Consent Conditions will be satisfied or waived and that Holders that have delivered valid and unrevoked Consents will receive a Consent Payment. The Consent Solicitation may not be completed if any of the Consent Conditions are not satisfied, whether because there is an action or proceeding,

threatened or pending, that could affect implementation of such Consents or otherwise. In addition, subject to applicable law and as provided in this Consent Solicitation Statement, the Company may, in its sole discretion, extend, abandon, terminate or amend any of the Consent Solicitation at any time prior to the Expiration Date for the Notes.

Holders will have limited ability to revoke their Consents.

Consents for the Notes may be revoked at any time prior to the earlier of the Consent Time and the Revocation Deadline, but not thereafter. The Company and, upon receipt of an Officers' Certificate and an Opinion of Counsel, the Trustee will execute the Supplemental Indenture effecting the Proposed Amendment upon receipt of the Requisite Consents for the Notes (which may occur prior to the Expiration Date). The provisions of the Supplemental Indenture will become effective upon its execution and delivery, but will not be operative until the Consent Payment is paid to DTC for the benefit of the Holders. The Company expects to pay (or cause to be paid) the Consent Payment to DTC for the benefit of the Holders on the Settlement Date. If the Consent Payment is not paid pursuant to the Consent Solicitation, the related Proposed Amendment will be deemed to be revoked retroactively to the date of the Supplemental Indenture. Once the Supplemental Indenture is effective, any Consents given with respect to the Notes may not be revoked notwithstanding that the Revocation Deadline may not have occurred, and all Holders, including non-consenting Holders, and their respective transferees will be bound by the terms thereof. If the Consent Time is earlier than the Revocation Deadline, then such Consent Time will be the latest time by which Holders can revoke Consents. Consents may only be revoked as provided in this Consent Solicitation Statement. See "The Consent Solicitation—Revocation of Consents."

The Consent Solicitation will have certain tax consequences for Holders.

For a summary of certain tax consequences of the Consent Solicitation, the receipt of the Consent Payment and a substitution of the issuer pursuant to the Proposed Amendment, see "Taxation—Peruvian Tax Considerations" and "Taxation— Certain U.S. Federal Income Tax Considerations."

There can be no assurance to Holders that existing rating agency ratings for the Notes will be maintained.

Neither the Company, the Solicitation Agents or the Information and Tabulation Agent can assure Holders that one or more rating agencies, including Standard & Poor's Rating Services or Fitch Ratings Inc., will not take action to downgrade or negatively comment upon their respective ratings of the Notes. Any such downgrade or negative comment would likely adversely affect the market price of the Notes.

Holders are responsible for consulting with their advisors and for assessing the merits of the Consent Solicitation.

Holders should consult with their own tax, accounting, financial and legal advisors regarding the suitability for themselves of the tax, accounting, financial, legal or other consequences of providing or withholding their Consent to the Proposed Amendment. Each Holder is responsible for assessing the merits of the Consent Solicitation as it applies to the Notes.

None of the Company, the Information and Tabulation Agent, the Solicitation Agents, the Trustee, nor any director, officer, employee, agent or affiliate of any such person, is acting for any Holder, or will be responsible to any Holder for providing any protections which would be afforded to its clients or for providing advice in relation to the Consent Solicitation, and accordingly none of the Company, the Information and Tabulation Agent, the Solicitation Agents, the Trustee or any director, officer, employee, agent or affiliate of any such person, has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of the Holders either as a class or as individuals or makes any recommendation as to whether a Holder should consent to the Proposed Amendment.

Holders are responsible for complying with the procedures of the Consent Solicitation.

Each Holder is responsible for complying with all of the procedures for delivering or revoking a Consent. None of the Company, the Information and Tabulation Agent, the Solicitation Agents, the Trustee, nor any director, officer, employee, agent or affiliate thereof, assumes any responsibility for informing the Holders of irregularities with respect to any Consent. See "The Consent Solicitation—Consent Procedures."

THE PROPOSED AMENDMENT

THE FOLLOWING STATEMENTS INCLUDE SUMMARIES OF THE SUBSTANCE OR GENERAL EFFECT OF CERTAIN PROVISIONS OF THE INDENTURE AND ARE QUALIFIED IN THEIR ENTIRETY BY REFERENCE TO THE INDENTURE. COPIES OF THE INDENTURE ARE AVAILABLE FROM THE COMPANY OR THE TRUSTEE UPON REQUEST. CAPITALIZED TERMS USED IN THIS SECTION BUT NOT DEFINED HEREIN HAVE THE MEANINGS GIVEN TO THEM IN THE INDENTURE.

Section 9.1 of the Indenture provides that the Indenture may be amended or supplemented, and the Notes thereunder may be amended, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes under such Indenture (excluding any Notes held by the Company or any of its affiliates). Accordingly, approval of the Proposed Amendment requires receipt of the Requisite Consents.

If the Requisite Consents for the Notes are obtained, and the Consent Conditions with respect to the Notes are satisfied or waived, the Proposed Amendment to the Indenture will be effected by, and will become effective upon, execution of the Supplemental Indenture between the Company, the Guarantors and the Trustee. The Company expects to pay (or cause to be paid) the Consent Payment to DTC for the benefit of the Holders on the Settlement Date. All Holders of the Notes, including non-consenting Holders, will be bound by the Proposed Amendment, if effective. In addition, Holders delivering consents shall be deemed to consent to the right (but not the obligation) of the Company, at any time, to become a party to such Indenture to guarantee the Company's obligations with respect to the Notes and to add covenants, from time to time, from the Company for the benefit of Holders of the Notes.

The purpose of the Consent Solicitation is to seek the Consent of Holders of the Notes to the Proposed Amendment. For a summary of certain tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment, please see "Taxation—Peruvian Tax Considerations" and "Taxation—Certain U.S. Federal Income Tax Considerations."

Purpose of the Proposed Amendment

The purpose of the Proposed Amendment is to amend the Indenture to allow the issuer to consolidate with or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, convey, transfer, lease or otherwise dispose of (or cause or permit any Restricted Subsidiary to sell, assign, convey, transfer, lease or otherwise dispose of) all or substantially all of its properties and assets, in one or more related transactions, to any Person, subject to certain conditions, including that the Interest Coverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction.

After the Supplemental Indenture is effective, the Company expects to redomicile to Luxembourg by way of a merger of the Company into Auna Lux, with Auna Lux continuing as the surviving entity. As part of the Merger, Auna Lux will allocate all the assets and liabilities of the Company to, and hold them through, Auna Lux Sucursal. Accordingly, the Company expects that Auna Lux (through Auna Lux Sucursal) will be the Successor Issuer of the Notes. The Net Leverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Company and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction. The Merger would further simplify the structuring of the entities through which the Company conducts its operations as it expands its regional presence throughout SSA.

Description of the Proposed Amendment

Set forth below is the provision of the Indenture that would be amended by the Proposed Amendment, and accordingly, be operative with respect to the Notes. All capitalized terms used in the provisions set forth below and elsewhere in this Consent Solicitation Statement but not defined in this Consent Solicitation Statement have the respective meanings ascribed to them in the Indenture.

The following description of the Proposed Amendment is qualified in its entirety by reference to the Indenture and the form of Supplemental Indenture, copies of which may be obtained without charge from the Information and Tabulation Agent.

Clause (a)(4)(B) of Section 4.3 (Merger and Consolidation) will be amended to add the text marked with an underscore and delete the text marked with a strikethrough below:

(B) (i) the Net Leverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would not be lower than such ratio for the Issuer and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction and (ii) the Interest Coverage Ratio for the Successor Issuer and its Restricted Subsidiaries on a consolidated basis would ~~be higher not be lower~~ than such ratio for the Issuer and its Restricted Subsidiaries on a consolidated basis immediately prior to such transaction;

THE CONSENT SOLICITATION

General

The Company is soliciting Consents from Holders of the Notes, upon the terms and subject to the conditions set forth in the Consent Solicitation Statement, to the Proposed Amendment. See "Proposed Amendment."

Holders must consent to the Proposed Amendment in its entirety.

Following the receipt of the Requisite Consents for the Notes on or prior to the Expiration Date for the Notes, the Company and, upon receipt of an Officers' Certificate and an Opinion of Counsel, the Trustee will, subject to the satisfaction or waiver of the Consent Conditions, execute the Supplemental Indenture with respect to the Notes. Consents to any Proposed Amendment may not be revoked at any time after the earlier of the Consent Time and the Revocation Deadline for the Notes, even if such Consent Time occurs prior to the Revocation Deadline for the Notes. Holders that deliver Consents after the Expiration Date for the Notes will not be entitled to receive the Consent Payment. Although the Supplemental Indenture and the related Proposed Amendment will become effective immediately upon execution at the Consent Time, such Proposed Amendment shall not be operative until the Consent Payment is paid to DTC for the benefit of the Holders. The Company expects to pay (or cause to be paid) the Consent Payment to DTC for the benefit of the Holders on the Settlement Date. If the Consent Conditions are not satisfied or waived with respect to the Notes, no Consent Payment with respect to the Notes will be paid to any Holder thereof.

In addition to the use of the mail, Consents may be solicited by officers and other employees of the Company and its subsidiaries without any additional remuneration, in person, or by telephone, email, facsimile or similar transmission. The Company has retained the Solicitation Agents and the Information and Tabulation Agent to aid in the solicitation of Consents.

Before, during or after the Consent Solicitation, the Company or any of their respective affiliates may purchase Notes in the open market, in privately negotiated transactions, through tender or exchange offers or otherwise. Any future purchases will depend on various factors at that time.

The Consent Solicitation is being made to all Holders in whose name a Note was registered at the Record Date and their duly designated proxies.

Requisite Consents

The consent of the Holders of at least a majority of the aggregate outstanding principal amount of the Notes is required to approve the Proposed Amendment. The occurrence of the Consent Time will be promptly disclosed publicly by a press release.

Consent Payments

A Consent Payment will be a cash payment equal to in the amount set forth in the table on the cover of this Consent Solicitation Statement per U.S.\$1,000 aggregate principal amount of Notes for which a Holder validly delivers and does not validly revoke Consents to the Proposed Amendment on or prior to the Expiration Date for the Notes, subject to satisfaction or waiver of the Consent Conditions. No accrued interest will be paid in connection with the Consent Solicitation.

If, with respect to the Notes, (a) the Consent Conditions are satisfied or waived, (b) the Consent Solicitation is not abandoned or terminated for any reason on or before the Expiration Date for the Notes and (c) all other terms of the Consent Solicitation set forth herein are satisfied, then:

- a Holder who validly delivers Consents to the Proposed Amendment with respect to the Notes on or prior to the Expiration Date and does not validly revoke its Consent on or prior to the earlier of the Consent Time and the Revocation Deadline for the Notes will receive the Consent Payment; and

- a Holder who (i) does not validly deliver Consents to the Proposed Amendment with respect to the Notes on or prior to the Expiration Date or (ii) properly and timely revokes Consents to the Proposed Amendment will not be eligible to, and will not, receive the Consent Payment.

The aggregate Consent Payment for the Notes to DTC for the benefit of the consenting Holders (but not to any subsequent transferees of the Notes) will be paid as specified above.

Consent Payments, Generally

Holders of the Notes for which (i) no Consent is delivered on or prior to the Expiration Date for the Notes or (ii) a Consent is properly and timely revoked for the Notes will not, in each case, be eligible to, and will not, receive the Consent Payment, even though the Proposed Amendment, if approved, will bind all Holders of the Notes and their transferees upon the execution of the Supplemental Indenture at the Consent Time.

The Company will be deemed to have accepted valid and unrevoked Consents for the Notes if and when the Company gives written notice to the Information and Tabulation Agent of the Company's acceptance of such Consents pursuant to a Consent Solicitation and the Company has entered into the Supplemental Indenture with respect to the Notes. Upon the terms and subject to the conditions of the Consent Solicitation (including the Consent Conditions), payment of the Consent Payment with respect to the Notes will be made on the Settlement Date by deposit by or on behalf of the Company of the Consent Payment with DTC, which will transmit those payments to Holders as of the Record Date who have delivered valid and unrevoked Consents to the Proposed Amendment on or prior to the Expiration Date of Consents pursuant to the Consent Solicitation. A Consent Payment will not be paid to any Holder who (i) does not validly deliver Consents to the Proposed Amendment with respect to the Notes on or prior to the Expiration Date or (ii) properly and timely revokes Consents to the Proposed Amendment.

If the Consent Conditions with respect to the Notes are not satisfied or waived or the Consent Solicitation is abandoned or terminated with respect to the Notes for any reason on or before the Expiration Date for the Notes, the Consents will be voided and no Consent Payment with respect to the Notes will be paid.

Expiration Date; Extensions; Amendments; Termination

The Consent Solicitation will expire at 5:00 p.m., New York City time, on June 7, 2023. The Company reserves the right, in its sole discretion, to abandon, terminate, amend or extend the Consent Solicitation and at any time from time to time, whether or not the Requisite Consents for the Notes have been received. The term "Expiration Date" shall mean the time and date on or to which a Consent Solicitation expires, which date may be terminated or extended by the Company. Subject to applicable law, the Company, in its sole discretion, may extend the Expiration Date with respect to the Notes without also extending the Revocation Deadline with respect to the Notes.

The termination or extension of a Consent Solicitation with respect to the Notes shall be made by giving written notice to the Information and Tabulation Agent no later than 9:00 a.m., New York City time, on the next business day after the previously announced Expiration Date for the Notes. Such announcement or notice may state that the Company is extending a Consent Solicitation for a specified period of time or on a daily basis. The failure of any Holder or Beneficial Owner of the Notes to receive such notice will not affect the termination or extension of the Consent Solicitation.

The Company expressly reserves the right for any reason (i) to extend, abandon, terminate or amend a Consent Solicitation at any time prior to the Expiration Date for the Notes by giving written notice thereof to the Information and Tabulation Agent and (ii) not to extend a Consent Solicitation for the Notes beyond the last previously announced Expiration Date for the Notes. Any such action under the preceding clause (i) will be followed as promptly as practicable by notice thereof by press release or by other public announcement (or by written notice to the Holders).

Holders desiring to deliver their Consents before the Expiration Time should note that they must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC before the Expiration Time. Consents not received by the Information and Tabulation Agent before the Expiration Time will be disregarded and of no effect.

Beneficial owners of Notes should be aware that their broker, dealer, commercial bank, trust company or other nominee may establish its own deadline, earlier than the expiration time, for participation in the Consent Solicitation.

Conditions of the Consent Solicitation

The Company's obligation to pay (or cause to be paid) the Consent Payment for valid and unrevoked Consents to the Proposed Amendment with respect to the Notes is subject to and conditioned upon the satisfaction or waiver of each of the following (together, the "**Consent Conditions**"):

- the receipt of the Requisite Consents for the Notes on or prior to the Expiration Date for the Notes; and
- the absence of any law or regulation, and the absence of any injunction or action or other proceeding (pending or threatened), that (in the case of any action or proceeding if adversely determined) would make unlawful or invalid or enjoin or delay the implementation of the Proposed Amendment, the entering into of the Supplemental Indenture or the payment of the Consent Payment to the Holders of the Notes or that would question the legality or validity thereof.

The foregoing conditions are for the sole benefit of the Company and may be asserted by the Company regardless of the circumstances giving rise to any such condition (including any action or inaction by the Company). The foregoing rights will not be deemed a waiver of any other right and each right will be deemed an ongoing right which may be asserted at any time and from time to time. The Company may in its discretion waive any condition to a Consent Solicitation with respect to the Notes.

Failure to Obtain the Requisite Consents

In the event that the Requisite Consents for the Notes are not obtained and the Consent Solicitation with respect to the Notes expires or is terminated, the Supplemental Indenture with respect to the Notes will not be executed and the related Proposed Amendment will not become effective.

Consent Procedures

The delivery of Consents pursuant to the Consent Solicitation in accordance with the procedures described below will constitute a valid delivery of Consents. Any Consent delivered and validly revoked will be deemed not to have been validly delivered.

As of the Record Date, all of the Notes are held through DTC by DTC Participants. Only Holders are authorized to deliver Consents with respect to their Notes. Therefore, to deliver Consents with respect to the Notes that are held through a broker, dealer, commercial bank, trust company or other nominee, the Beneficial Owner thereof must instruct such nominee to deliver the Consents on the Beneficial Owner's behalf according to the procedures described below.

DTC has confirmed that the Consent Solicitation is eligible for DTC's ATOP. Accordingly, DTC Participants must electronically deliver a Consent to the Information and Tabulation Agent in accordance with DTC's ATOP procedures. DTC Participants will be deemed to have delivered a Consent with respect to any Notes for which an electronic Consent is so delivered. DTC will verify each transaction and confirm the electronic delivery of such Consent by sending an Agent's Message to the Information and Tabulation Agent.

The term "**Agent's Message**" means a message transmitted by DTC and received by the Information and Tabulation Agent, which states that DTC has received an express and unconditional acknowledgment from the DTC Participant delivering Consents that such DTC Participant (i) has received and agrees to be bound by the terms of the Consent Solicitation as set forth in this Consent Solicitation Statement and that the Company may enforce such agreement against such DTC Participant and (ii) consents to the Proposed Amendment and the execution and delivery of the Supplemental Indenture as described in this Consent Solicitation Statement.

The Information and Tabulation Agent will establish a new ATOP account or utilize an existing account with respect to the Notes at DTC (the "**Book-Entry Transfer Facility**") promptly after the date of this Consent Solicitation Statement (to the extent that such arrangement has not already been made by the Information and Tabulation Agent), and any financial institution that is a participant in the Book-Entry Transfer Facility system and

whose name appears on a security position listing as the owner of Notes may make book-entry delivery of Notes into the Information and Tabulation Agent's account in accordance with the Book-Entry Transfer Facility's procedures for such transfer. Delivery of documents to the Book-Entry Transfer Facility in accordance with such Book-Entry Transfer Facility does not constitute delivery to the Information and Tabulation Agent.

The Notes for which a Consent has been delivered through ATOP as part of the Consent Solicitation prior to the Expiration Date will be held under one or more temporary CUSIP numbers (i.e., Contra CUSIP) during the period beginning at the time the DTC Participant electronically delivers a Consent and ending on the earlier of (i) the Consent Time or the Expiration Date and (ii) the date on which the DTC Participant validly revokes its Consent.

CONSENTS MUST BE ELECTRONICALLY DELIVERED IN ACCORDANCE WITH DTC'S ATOP PROCEDURES.

A Beneficial Owner of Notes held through a broker, dealer, commercial bank, custodian or DTC Participant must provide appropriate instructions to such person in order to cause a delivery of Consents through ATOP with respect to the Notes.

Holders desiring to deliver their Consents on or prior to the Expiration Date should note that they must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC on such respective date. Consents not delivered on or prior to the Expiration Date will be disregarded and of no effect and no Consent Payment will be payable in connection therewith. The deadlines set by any intermediary, such as a bank, broker or other nominee, and clearing system for the submission of consent instructions may be earlier than the relevant deadlines specified above.

The method of delivery of Consents through the ATOP procedures and any other required documents to the Information and Tabulation Agent is at the election and risk of the Holder, and delivery will be deemed made only when made through ATOP in accordance with the procedures described herein. All questions as to the validity, form and eligibility (including time of receipt) regarding the consent procedures will be determined by the Company in its sole discretion, which determination will be conclusive and binding. The Company reserves the right to reject any or all Consents and revocations that are not in proper form or the acceptance of which could, in the Company's opinion or in the opinion of their counsel, be unlawful. The Company also reserves the right to waive any defects or irregularities in connection with deliveries of particular Consents and revocations. Unless waived, any defects or irregularities in connection with deliveries of Consents and revocations must be cured within such time as the Company determines. Neither the Company nor any of its affiliates, the Information and Tabulation Agent, the Solicitation Agents, the Trustee or any other person shall be under any duty to give any notification of any such defects or irregularities or waiver, nor shall any of them incur any liability for failure to give such notification. Deliveries of Consents or revocations will not be deemed to have been made until any irregularities or defects therein have been cured or waived. The Company's interpretations of the terms and conditions of the Consent Solicitation (including this Consent Solicitation Statement and the instructions hereto) shall be conclusive and binding.

No consent form or letter of transmittal needs to be executed in relation to the Consent Solicitation or the Consents delivered through DTC. The valid electronic delivery of Consents in accordance with DTC's ATOP procedures shall constitute a written Consent to the Consent Solicitation.

Only Holders of record as of the Record Date are eligible to consent to the Proposed Amendment; such Holders may consent to the Proposed Amendment notwithstanding that they no longer hold Notes as of the date of delivery of their Consents.

Consents may be delivered only in principal amounts equal to minimum denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof.

The method of delivery of the Consent and any other required documents to the Information and Tabulation Agent is at the election and risk of the Holder and, except as otherwise provided in the Consent, delivery will be deemed made only when the Consent or any other required document is actually received by the Information and Tabulation Agent on or prior to the Expiration Date.

In no event should a Holder deliver Notes together with any Consent. The delivery of a Consent will not affect a Holder's right to sell or transfer the Notes. All validly delivered Consents received by the Information and

Tabulation Agent on or prior to the Expiration Date will be effective notwithstanding a record transfer of the Notes subsequent to the Record Date, unless the Holder revokes such Consent prior to the earlier of the Consent Time and the Expiration Date by following the procedures set forth under “Revocation of Consents” below. The Company reserves the right (but is not obligated) to accept any Consent received by the Company, the Information and Tabulation Agent, the Solicitation Agents or the Trustee. The Company reserves the right (but is not obligated) to accept any Consent received by any other reasonable means or in any form that reasonably evidences the giving of consent.

Representations, Warranties and Undertaking

By delivering a Consent with respect to the Notes to the Information and Tabulation Agent in accordance with DTC’s ATOP procedures, the consenting Holder (a “**Consenting Holder**”) is deemed to represent, warrant and undertake to the Company, the Solicitation Agents, the Information and Tabulation Agent and the Trustee as follows:

- Such Consenting Holder is a Holder of such Notes.
- Such Consenting Holder has received, reviewed and accepted the terms of this Consent Solicitation Statement.
- Such Consenting Holder consents to the Proposed Amendment in its entirety as described in this Consent Solicitation Statement upon the terms and subject to the conditions set forth in this Consent Solicitation Statement. The delivery of such Consent to the Information and Tabulation Agent in accordance with DTC’s ATOP procedures constitutes such Consenting Holder’s written consent to the Proposed Amendment.
- All authority conferred or agreed to be conferred pursuant to these representations, warranties and undertakings and every obligation of the Consenting Holder and the Consents given by such Consenting Holder shall be binding (to the extent applicable in law) upon the successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives of such Consenting Holder and shall not be affected by, and shall survive, the death or incapacity of such Consenting Holder.
- Such Consenting Holder’s participation in the Consent Solicitation does not conflict with the laws of any jurisdiction.
- Such Consenting Holder authorizes, directs and requests that the Trustee enter into a Supplemental Indenture to implement the Proposed Amendment.
- Such Consenting Holder empowers, authorizes and requests the Trustee to do all such other things as may be necessary or expedient to carry out and give effect to the Consent Solicitation.
- The Trustee will not be held responsible for any liabilities or consequences arising as a result of acts taken by it or pursuant to the terms of the Consent Solicitation or this Consent Solicitation Statement, and the Trustee has no responsibility for the terms of the Consent Solicitation or this Consent Solicitation Statement.
- No information has been provided to such Consenting Holder by the Solicitation Agents, the Information and Tabulation Agent, the Trustee or (except as set forth herein) the Company or any of their respective affiliates, officers, directors, employees or agents with regard to the tax consequences to Holders or beneficial owners of Notes arising from the receipt of the Consent Payment or participation in the Consent Solicitation. Such Consenting Holder is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its participation in the Consent Solicitation, and such Consenting Holder will not and does not have any right of recourse (whether by way of reimbursements, indemnity or otherwise) against the Company, the Solicitation Agents, the Information and Tabulation Agent, the Trustee, any affiliates, officers, directors, employees or agents of any of the foregoing or any other person in respect of such taxes and payments.

- This Consent Solicitation Statement and the transactions contemplated hereby shall not be deemed to be investment advice or a recommendation as to a course of conduct by the Company, the Solicitation Agents, the Information and Tabulation Agent, the Trustee or any of their affiliates, officers, directors, employees or agents. In delivering a Consent to the Information and Tabulation Agent in accordance with DTC's ATOP procedures, such Consenting Holder has made an independent decision in consultation with its own agents and professionals to the extent that it considers it necessary.

Revocation of Consents

Each Holder who delivers a Consent pursuant to the Consent Solicitation will agree that: (a) it will not revoke its Consent after the Consent Time even if the Revocation Deadline has not occurred and (b) that until the Consent Time, it will not revoke its Consent except in accordance with the conditions and procedures for revocation of Consents provided below. Each properly delivered Consent will be counted, notwithstanding any transfer of the Notes to which such Consent relates, unless the procedure for revocation of Consents provided below has been followed. The Company will make prompt public disclosure by press release of the occurrence of the Consent Time.

Prior to the earlier of the Consent Time and the Revocation Deadline for the Notes, any Holder may revoke any Consent given as to its Notes or any portion of the Notes (in minimum denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof). A Holder desiring to revoke a Consent must give a properly transmitted "Requested Message" through ATOP, which must be received by the Information and Tabulation Agent through ATOP. In order to be valid, a revocation must specify the Holder in the Book-Entry Transfer Facility whose name appears on the security position listing as the owner of the Notes and the principal amount of the Notes to be revoked. A revocation of a Consent may only be rescinded by the delivery of a new Consent, in accordance with the procedures herein described by the Holder (or duly designated proxy) who delivered such revocation.

A Holder may revoke a Consent only if such revocation complies with the provisions of this Consent Solicitation Statement. A Beneficial Owner of Notes who is not the Holder as of the Record Date of the Notes must instruct the Holder of the Notes as of the Record Date to revoke any Consent already given with respect to the Notes.

The Company reserves the right to contest the validity of any revocation and all questions as to the validity (including time of receipt) of any revocation will be determined by the Company, in its sole discretion, which determination will be conclusive and binding, subject only to such final review as may be prescribed by the Trustee concerning proof of execution and ownership. Neither the Company nor any of its affiliates, the Information and Tabulation Agent, the Trustee or any other person will be under any duty to give notification of any defects or irregularities with respect to any revocation nor shall any of them incur any liability for failure to give such notification.

Once the Supplemental Indenture is executed, any Consents validly given (and not previously revoked) may not be revoked and all Holders, including non-consenting Holders, and their respective transferees will be bound by the terms thereof. If the Consent Time is earlier than the Revocation Deadline, then such Consent Time will be the latest time by which Holders can revoke Consents.

Information Agent and Tabulation Agent

The Company has retained Global Bondholder Services Corporation as the Information and Tabulation Agent in connection with the Consent Solicitation. As Information Agent, Global Bondholder Services Corporation will be responsible for answering questions concerning the terms of the Consent Solicitation and providing additional copies of this Consent Solicitation Statement. As Tabulation Agent, Global Bondholder Services Corporation will be responsible for collecting Consents. Global Bondholder Services Corporation will receive a customary fee for such services and reimbursement of its reasonable out-of-pocket expenses.

Solicitation Agents

The Company has retained Banco BTG Pactual S.A. – Cayman Branch, HSBC Securities (USA) Inc., J.P. Morgan Securities LLC, and Santander US Capital Markets LLC as the Solicitation Agents to assist with respect to the Consent Solicitation. The Solicitation Agents will solicit Consents and will receive customary fees and reimbursement of their reasonable out-of-pocket expenses. The Solicitation Agents have not been retained to render,

and will not render, an opinion as to the fairness of the Consent Solicitations. The Company has agreed to indemnify the Solicitation Agents against certain liabilities and expenses.

At any given time, the Solicitation Agents may trade the Notes or our other securities for their own account or for the accounts of their customers and, accordingly, may hold a long or short position in the Notes and, to the extent that the Solicitation Agents or their affiliates hold Notes during the Consent Solicitation, each of them may provide Consents relating to such Notes pursuant to the terms of the Consent Solicitations.

The Solicitation Agents do not assume responsibility for the accuracy or completeness of the information contained or incorporated by reference in this Consent Solicitation Statement or for any failure by them to disclose events that may have occurred or may affect the significance or accuracy of that information.

The Solicitation Agents have provided, and may provide in the future, other investment banking, commercial banking or other financial advisory services to the Company, for which they have received and could receive customary compensation from the Company.

Banco BTG Pactual S.A. – Cayman Branch is not a broker-dealer registered with the U.S. Securities and Exchange Commission, and therefore may not solicit Consents in the United States or to U.S. persons except in compliance with applicable U.S. laws and regulations. To the extent that Banco BTG Pactual S.A. – Cayman Branch intends to solicit such Consents in the United States, it will do so only through BTG Pactual US Capital, LLC, or one or more U.S. registered broker-dealers, or otherwise as permitted by applicable U.S. law.

FEES AND EXPENSES

The Company will bear all the costs of the Consent Solicitation and the execution and delivery of the Supplemental Indenture, including the fees and expenses of the Solicitation Agents, the Trustee and the Information and Tabulation Agent. The Company will pay all other fees and documented and reasonable out-of-pocket expenses attributable to the Consent Solicitation and the execution of the Proposed Amendment, other than expenses incurred by Holders or Beneficial Owners of Notes.

TAXATION

Peruvian Tax Considerations

The following discussion is a summary of the Peruvian tax considerations that may be relevant to a Holder of the Notes that is an individual, entity, trust or organization that is not resident or domiciled in Peru for purposes of Peruvian taxation (“Non-Resident Holder”) with respect to the Consent Solicitation. The discussion is based on the tax laws and regulations of Peruvian as in effect on the date hereof, which are subject to change, possibly with retroactive effects, and to differing interpretations, which may result in different tax consequences than those described below.

The information set forth below is intended to be a general discussion only and does not address all possible tax consequences relating to the Consent Solicitation.

Consent Fee Payments Made by the Company

Taxpayers that are non-domiciled in Peru are obliged to pay Peruvian Income Tax only on their Peruvian source income. For this purpose, among others, the following are considered Peruvian source income:

- Income produced by capital, as well as interest, commissions, premiums and any amount additional to the interest agreed upon for loans, credits or other financial operations, when the capital is placed or used economically in the country; or when the payer is a subject domiciled in the country.
- Interest on notes, if the issuer is an entity incorporated in Peru, regardless of the place where the issue takes place, or the location of the assets affected as collateral.

Being an amount additional to the interest to be paid by the Company to a Non-Resident Holder, as per the above rules, the Consent Payment qualifies as Peruvian source income and is subject to Income Tax in Peru. Likewise, as it is an additional sum to the interest agreed upon for the Notes, the Consent Payment will be considered as interest for Peruvian Income Tax purposes, subject to a withholding tax rate of 4.99%. This tax rate will apply provided the Company and the Note Holder do not qualify as related parties under Peruvian regulations. Otherwise, the applicable withholding is 30%. Also, if the Non-Resident Holder is an individual and resides in a jurisdiction with low or no taxation (“tax haven”), the applicable withholding tax rate is 30%.

In any case, if any Peruvian taxes are to be withheld from the payment of the applicable Consent Payment, subject to specific exceptions and limitations (see “Description of the Notes – Additional Amounts”), the Company will assume such withholding or, alternatively, pay such additional amounts in respect of such withholding so that the net amount of such Consent Payment to be received by a Non-Resident Holder equals the amount that would have been received absent such withholding.

Other Peruvian Tax Considerations

Additionally, it is important to mention that in Peru there is a Financial Transactions Tax (“FTT”) at a 0.005% rate on debits and credits made in a Peruvian bank or other financial institution account, either in national or foreign currency. If the Consent Payment is paid out from a Peruvian Financial System (Sistema Financiero Peruano or “PFS”) bank account, such debit will also be levied at the corresponding FTT rate. The taxpayer of the FTT is the holder of the PFS bank account, but the PFS bank acts as withholding agent.

Finally, please note that the Merger of the Company into Auna Lux will not change the treatment applicable for Peruvian Income Tax purposes to interest, commissions and other sums payable to a Non-Resident Holder in connection with the Notes, as said payments will be paid by Auna Lux Sucursal, which is incorporated and existing under the laws of Peru. Therefore, said sums will still be subject to withholding tax in Peru, as described in the Peruvian Tax Considerations section of the Notes Offering Memorandum.

THE ABOVE DESCRIPTION IS NOT INTENDED TO CONSTITUTE A COMPLETE ANALYSIS OF ALL TAX CONSEQUENCES RELATING TO THE CONSENT SOLICITATION. ALL HOLDERS SHOULD

CONSULT THEIR TAX ADVISORS CONCERNING THE TAX CONSEQUENCES OF THE CONSENT SOLICITATION TO THEIR PARTICULAR SITUATIONS.

Certain U.S. Federal Income Tax Considerations

The following summary describes certain U.S. federal income tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment and a substitution of the Company pursuant to the Proposed Amendment if you are a U.S. holder of a Note, as defined below. This summary is based on U.S. federal income tax law, including the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), Treasury regulations, administrative rulings and judicial authority, all as in effect or in existence as of the date of this Consent Solicitation Statement. This summary does not discuss any U.S. state or local tax consequences, the Medicare tax on certain investment income, any non-U.S. tax consequences or any U.S. federal tax consequences other than U.S. federal income tax consequences (e.g., estate or gift tax consequences).

This summary applies to you if you are a U.S. holder, by which we mean a person who is for U.S. federal income tax purposes a beneficial owner of a Note and (1) an individual who is a citizen or resident of the United States, (2) a corporation created or organized in or under the laws of the United States or any political subdivision thereof, or (3) an estate or trust the income of which is subject to U.S. federal income taxation regardless of its source and you hold your Notes as capital assets (generally, property held for investment). This summary does not discuss all of the aspects of U.S. federal income taxation that may be relevant to you in light of your specific circumstances and does not address consequences to you if you are subject to special tax rules, including if you are (i) a dealer in securities, (ii) a trader in securities that has elected to mark to market your securities for tax purposes, (iii) a person whose functional currency is not the U.S. dollar, (iv) holding Notes as part of a straddle, conversion or other “synthetic security” transaction, (v) subject to the alternative minimum tax, (vi) a former citizen or long-term resident of the United States, (vii) a financial institution, (viii) an insurance company, (ix) a regulated investment company or a real estate investment trust, (x) tax-exempt for U.S. federal income tax purposes, (xi) required to accelerate the recognition of any item of gross income with respect to your Notes as a result of the income being recognized on an applicable financial statement; or (xii) a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) or other pass-through entity or an owner of an interest therein.

If you are a partnership (or treated as a partnership for U.S. federal income tax purposes), the U.S. federal income tax treatment of your partners will depend on the status of the partners, your activities and certain determinations made at the partner level. You should consult your tax adviser regarding the U.S. federal income tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment.

You should be aware that, due to the factual nature of the applicable legal inquiry (discussed below) and the absence of relevant legal authorities, there is uncertainty regarding the U.S. federal income tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment. The Company has not obtained any rulings from the Internal Revenue Service (“IRS”) or opinions of counsel with respect to any of the tax consequences described in this summary. This summary is not binding on the IRS or the courts. Accordingly, there can be no assurance that the IRS would not challenge any of the U.S. federal income tax consequences described in this summary or that a challenge, if asserted, would not ultimately be successful.

This summary is not intended to be, and should not be construed as, legal or tax advice. You should consult your tax adviser regarding the particular U.S. federal, state and local and non-U.S. income and other tax consequences that may be applicable to you of the adoption of the Proposed Amendment and the receipt of the Consent Payment.

Significant Modification of the Notes. The U.S. federal income tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment depend, in part, upon whether the adoption of such Proposed Amendment and/or the receipt of the Consent Payment result in a “significant modification” of the Notes.

In general, a modification of a debt instrument is a “significant modification” that results in a deemed exchange of the debt instrument for a new debt instrument for U.S. federal income tax purposes when, based on all the facts and circumstances and taking into account all changes in the terms of the debt instrument collectively (other than certain specified changes), the legal rights or obligations that are altered, and the degree to which they are altered, are “economically significant.” In addition to the general rule, the Treasury regulations provide specific rules under which certain modifications to a debt instrument are or are not treated as significant modifications. A modification

of a debt instrument that is not a significant modification does not result in a deemed exchange of the debt instrument.

In particular, a change in the yield of a debt instrument is not a significant modification if the yield of the modified debt instrument (determined by taking into account any payments made by the borrower to the holder as consideration for the modification) does not vary from the yield of the unmodified debt instrument (determined as of the date of the modification) by more than the greater of 25 basis points and five percent of the annual yield of the unmodified debt instrument. Because the Consent Payment does not exceed the threshold described in the immediately preceding sentence, the change in yield on the Notes by reason of receipt of the Consent Payment should not cause a deemed exchange.

In addition, a modification of a debt instrument that adds, deletes or alters customary accounting or financial covenants is not a significant modification. The Treasury regulations, however, do not define “customary accounting or financial covenants” and do not otherwise directly address the exact types of modifications of the Notes that would occur upon adoption of the Proposed Amendment. Although the issue is not free from doubt, the Company intends to take the position that the Proposed Amendment does not constitute a deemed exchange of your notes (“old” Notes) for “new” Notes (the “Deemed Exchange”). Assuming that position is correct, you will not recognize any gain or loss upon the adoption of the Proposed Amendment (although the Consent Payment will be included in your income, as discussed below), and you will have the same adjusted tax basis, holding period and accrued market discount (if any) in your Notes after the adoption of the Proposed Amendment as you had in your Notes immediately before the adoption.

If the IRS successfully asserted that the adoption of the Proposed Amendment and/or the payment of the Consent Payment was a significant modification of the Notes, you would recognize gain or loss on the Deemed Exchange equal to the difference, if any, between (a) the “issue price” (as defined in the relevant Treasury regulations) of the “new” Note deemed received by you in exchange for the “old” Note (plus the Consent Payment, to the extent not treated as a payment of accrued interest) and (b) your adjusted tax basis for the “old” Note deemed exchanged immediately prior to the adoption of the Proposed Amendment. Any gain or loss recognized would be capital gain or loss, except to the extent that gain is treated as ordinary income under the market discount rules of the Code, and excluding amounts attributable to accrued and unpaid interest on the Note not previously included in your gross income for U.S. federal income tax purposes. Any loss realized might be subject to disallowance under the wash sale rules. In addition, if any “new” Note is “publicly traded” (as defined in the relevant Treasury regulations), it could be treated as issued with original issue discount for U.S. federal income tax purposes, depending on its fair market value on the date the Proposed Amendment become effective.

Certain Tax Consequences of a Substitution of the Issuer Following the Proposed Amendment. If the Company redomiciles to Luxembourg by way of a merger of the Company into Auna Lux, as described above under “The Proposed Amendment—Purpose of the Proposed Amendment,” such redomiciliation would not be considered a significant modification of the Notes so long as (i) Auna Lux becomes the new obligor pursuant to a transaction to which section 381(a) of the Code applies, the transaction does not result in a change in payment expectations, and the transaction (other than a reorganization within the meaning of section 368(a)(1)(F)) does not result in a significant alteration within the meaning of Treasury regulations section 1.1001-3 or (ii) Auna Lux acquires substantially all of the assets of the original obligor, the transaction does not result in a change in payment expectations, and the transaction does not result in a significant alteration within the meaning of Treasury regulations section 1.1001-3. Although the issue is not free from doubt, the Company intends to take the position that the redomiciliation would not constitute a Deemed Exchange of the Notes. If the IRS successfully asserted that the redomiciliation was a significant modification of the notes, the tax consequences of the Deemed Exchange would be similar to those described above regarding a successful assertion by the IRS that the adoption of the Proposed Amendment and/or the payment of the Consent Payment resulted in a Deemed Exchange. You should consult your tax advisor as to the U.S. federal income tax considerations relating to a substitution of the Company.

Consent Payment. The tax treatment of the receipt of the Consent Payment is uncertain. Assuming the adoption of the Proposed Amendment and the receipt of the Consent Payment do not result in a significant modification of the Notes, the Company intends to treat the Consent Payment as ordinary income upon receipt.

Information Reporting and Backup Withholding. Information reporting will likely apply to payment of the Consent Payment unless an exemption is established. You will likely be subject to backup withholding at a 24% rate on the payment if you fail to provide your taxpayer identification number and certain other information, or otherwise

establish an exemption. Backup withholding is not an additional tax. The amount of any backup withholding from a payment to you may be allowed as a credit against your U.S. federal income tax liability, if any, and may entitle you to a refund, provided that the required information is timely furnished to the IRS.

The discussion set forth above is included for general information purposes only. You should consult your tax adviser to determine the U.S. federal, state and local, non-U.S., and other tax consequences of the adoption of the Proposed Amendment and the receipt of the Consent Payment.
