RICHMOND, Va., (July 24, 2019) — Genworth Holdings, Inc. (the “Company”), a direct wholly owned subsidiary of Genworth Financial, Inc. (NYSE: GNW), today announced a solicitation of consents from the holders of its outstanding notes set forth below proposing amendments to the indentures governing such notes.

Outstanding Principal Amount	Description of Securities	CUSIP Number(s)
\$397,000,000	7.700% Senior Notes due June 2020	37247DAM8
\$381,703,000	7.20% Senior Notes due February 2021	37247DAN6
\$698,319,000	7.625% Senior Notes due September 2021	37247DAP1

\$600,000,000	6.15% Fixed-to-Floating Rate Junior Subordinated Notes due November 2066	37247DAG1

The purpose of the consent solicitation is to create an express authorization under the Company’s indentures for the sale or other disposition, in one or more transactions, of all or part of the Company’s non-U.S. mortgage insurance businesses or assets (a “Non-U.S. Mortgage Sale”), including Genworth MI Canada Inc. (together with its subsidiaries, “Genworth Canada”), which operates Genworth’s Canadian mortgage insurance business. Genworth is considering the sale of Genworth Canada in order to increase the likelihood of subsequently completing the acquisition of Genworth Financial, Inc. by China Oceanwide Holdings Group Co., Ltd. and its affiliates (the “China Oceanwide Transaction”). The Company also believes that the sale of Genworth Canada would allow it to reduce its outstanding indebtedness and increase its financial flexibility, whether or not the China Oceanwide Transaction is consummated.

Full details of the terms and conditions of the consent solicitation are included in the consent solicitation statement, dated July 24, 2019.

Adoption of the proposed amendments requires the consent of the holders of at least a majority of the aggregate principal amount of each series (each series voting as a separate class) of the outstanding notes.

In order to participate in the consent solicitation, a holder must deliver its consent in advance of the expiration time, which is 5:00 p.m., New York City time, on August 9, 2019 (the “Expiration Time”) (unless extended or terminated by the Company).

A beneficial owner who wishes to participate in the consent solicitation must promptly instruct its brokers, dealers, custodians or other intermediaries to deliver a consent on its behalf to the tabulation agent in accordance with The Depository Trust Company’s Automated Tender Offer Program’s procedures in advance of the Expiration Time, as such brokers, dealers, custodians or other intermediaries will require an earlier deadline to receive their instructions.

Subject to receiving the requisite consents and satisfaction or waiver of all of the conditions to the consent solicitation, any holder who validly delivers (and does not validly revoke) its consent prior to the expiration of the consent solicitation will receive a consent fee consisting of a cash payment of \$2.50 per \$1,000 aggregate principal amount of its notes. The Company expects that such consent fee will be paid to such holders as promptly as practicable following the satisfaction or waiver of all of the conditions to the consent solicitation, at which time the proposed amendments will become operative.

Holders of any series of notes may revoke their consents at any time prior to the earlier of the Expiration Time or the time the supplemental indenture for such series of notes is executed. If the consent solicitation is withdrawn or otherwise not completed for any reason, the consent fee will not be paid or payable.

The proposed amendments will be effected through supplemental indentures to the indentures governing the notes, to be executed and delivered promptly following receipt of the requisite consents for a particular series of notes. These supplemental indentures may be executed prior to the expiration of the consent solicitation if the requisite consents are received before then.

Upon receipt of the requisite consents from all series of notes, any executed supplemental indentures will bind all holders of notes, including those that did not give their consent. Holders who do not deliver

consents prior to the expiration of the consent solicitation will not receive the consent fee. The proposed amendments will become operative upon payment of the consent fee. The changes effected by the proposed amendments do not alter the Company's contractual obligation to pay the principal of, or interest on, the notes or the guarantee of the notes by Genworth Financial, Inc. and are effective only upon the terms and conditions contained in the consent solicitation statement.

With respect to any consent in respect of a series of notes accepted by the Company, the Company will also pay the relevant soliciting broker a fee of \$2.50 per \$1,000 principal amount of notes of such series to which the consent relates, provided that such fee will only be paid with respect to the first \$200,000 aggregate principal amount of each series of notes for which a consent is provided by any individual holder. The payment of such soliciting broker fee and the consent fee with respect to a series of notes is subject to receipt of the requisite consents and satisfaction of the other conditions to the consent solicitation.

BofA Merrill Lynch is acting as the solicitation agent and Global Bondholder Services Corporation is acting as the information agent and tabulation agent in connection with the consent solicitation.
