The Amended Offer to Purchase is hereby incorporated by reference into this Supplement, which is qualified in its entirety by, and should be read in conjunction with, the Amended Offer to Purchase. Any inconsistent information in the Amended Offer to Purchase compared to this Supplement shall be deemed to be superseded by the information in this Supplement. All capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Amended Offer to Purchase.

You are encouraged to carefully consider all of the information in this Supplement, together with the Amended Offer to Purchase, in its entirety, particularly the information contained under the heading “Risk Factors” in the Amended Offer to Purchase.

None of the Offeror, WBD, the Existing WBD Issuers, the Dealer Managers, the Tender Agent, the Information Agent, the trustees under each of the Existing WBD Indentures, or any affiliate of any of them makes any recommendation as to whether any Holder of Existing WBD Notes should tender or refrain from tendering all or any portion of the principal amount of such Holder’s Existing WBD Notes for purchase in the Tender Offers. No one has been authorized by any of them to make such a recommendation. Each Holder must make its own decision whether to tender Existing WBD Notes in the Tender Offers and, if so, the amount of Existing WBD Notes to tender.

Neither the Amended Offer to Purchase nor this Supplement has been filed with, reviewed, approved, or disapproved by the Securities and Exchange Commission (the “**SEC**”) or any state securities commission, nor has the SEC or any state or foreign securities commission passed upon the fairness or merits of this transaction or upon the accuracy or adequacy of the information contained in the Offer to Purchase or any related documents. Any representation to the contrary is a criminal offense. Neither the Amended Offer to Purchase nor this Supplement constitutes an offer to purchase Existing WBD Notes in any jurisdiction in which it is unlawful to make such an offer or solicitation under applicable securities law or blue sky laws.

The date of this Supplement is June 26, 2026.

You should rely only on the information contained in or incorporated by reference into this Supplement. Neither we nor the Dealer Managers have authorized anyone to provide any information or to make any representations other than those contained in this Supplement. Neither we nor the Dealer Managers are responsible for, or can provide any assurance as to the reliability of, any other information that others may give you. We are not, and the Dealer Managers are not, making an offer to purchase securities in any jurisdiction where an offer is not permitted. Unless expressly stated otherwise, you should not assume that the information contained or incorporated by reference in this Supplement is accurate as of any date other than the date of this Supplement or the document containing such information. Our and/or WBD's business, financial condition, results of operations, and prospects may have changed since such date.

Eligible Holders who have already validly tendered Existing WBD Notes pursuant to the Tender Offers will be deemed to accept the amendments as provided in this Supplement unless they validly withdraw their tenders of Existing WBD Notes on or prior to the Expiration Date.

The Offeror is extending the Expiration Date to 5:00 p.m., New York City time, on July 15, 2026, subject to the Offeror's right to modify such time and date. The Offeror anticipates extending the Expiration Date until such time that would result in the Settlement Date occurring on the closing date of the Acquisition or within one business day thereof. All information presented in the Amended Offer to Purchase is deemed modified to the extent necessary to give effect to the extension of the Expiration Date and the Settlement Date.
